2. The candidates who have applied for the revaluation for a paper(papers) of an exam are only eligible for the Challenge Valuation of that paper(papers) of that exam.
3. A fee of Rs. 10,000/- (Rupees Ten Thousand only) for each paper is to be paid within the last date for Challenge valuation.
4. A Xerox copy of the answer script will be provided to the candidate on receipt of the payment of fee and date and time of the valuation will be informed to the candidate, so that valuation will be done in the presence of the teacher attended in support of the student nominated by the HOD concerned.
5. The HOD concerned will nominate a teacher of the concerned subject to observe the valuation in support of the Candidate. This will be done on the request of the candidate.

If the marks obtained in the Challenge Valuation are more than or equal to 15% of the maximum marks with respect to the original marks obtained in the first valuation, then the marks obtained in the Challenge Valuation will be awarded to the candidate and the Institute will pay back Rs. 9,000/- (Rupees Nine Thousand Only) to the candidate. Otherwise, there will not be any change in the result of the candidate and original marks will be retained and the candidate will forfeit the fee paid.

Example 1: If a candidate secure 19 marks out of 60 marks in the original/first valuation and obtain 26 marks in the revaluation/Challenge valuation, then there will be no change in the revaluation/challenge valuation as the candidate could not secure 15% or more on maximum marks (60) i.e., 9 or more marks here beyond 19 marks. The candidate will be benefitted if he/she secure 46 or more marks and passing the exam with the revaluation/challenge valuation marks in this case.
