

**VNR VIGNANA JYOTHI INSTITTUE OF ENGINEERING AND TECHNOLOGY
DEPARTMENT OF CIVIL ENGINEERING**

PROFESSIONAL SOCIETIES & ACTIVITIES:

The Department of Civil Engineering provides an opportunity to the students to enhance their overall education experience through a wide range of Extra-curricular and Co-curricular activities that include social, cultural, intellectual, recreational and professional student chapters. Technical activities are planned and executed through Civil Engineering Association, ICI (Indian Concrete Institute), IGBC (Indian Green Building Council), ISTE (Indian Society for technical Education), IEI (Institution of Engineers) student chapter and various student clubs run by the Department. Professional society student Chapter is very strong and active and is managed by the Executive body of students with the guidance of the faculty-in-charge.

Civil Engineering Association

CEA is a student chapter of Civil Engineering Department of VNRVJIET. Department has registered student chapters with

- Indian Concrete Institute (ICI)
- Indian Green Building Council (IGBC)
- Institute of Engineers (IE)
- Indian society of Technical Education (ISTE)

STUDENT ACHIEVEMENTS :

Department students have been organizing Paper presentation and Design contests like

- **“CONVERGENCE”**- A National Level Technical event held annually which enables the students to face surprising challenges from time to time, in which students conduct various Modeling, Design and Paper presentation contests.
- **“MONOLITH – Concept to Construct”** an annual design Competition in which student has to carry out Survey, Plotting in AutoCAD, Plan, Analyse, Design and Quantity estimation of given structure.
- **“VIBHINN”** A semi technical annual contest.
- **“Technical Quiz”** , **“Debate”** Competitions every year
- Apart from this students are encouraged to exhibit their project work in the **“Open House”** conducted in the month of February every year and the competent models are awarded with cash prizes.

- Students are encouraged to exhibit their design models, new innovations and their project works in “SHOW & TELL” platform in “**Panda Punnaiah Square**” of the Institute.
- Students won awards in technical quiz competitions, paper presentation contests, odel contests organized by Institution of Engineers, NITs, BITS etc.
- Manjot Singh Gandhi secured 92% in Project planning and control and 94% in Design of reinforced concrete structures, and GandhePushyamithra secured 97% in Structural Analysis - I NPTEL Courses

Receiving award at Institution of Engineers
