

Events Organized in H&S Department (2013-2018)

S.No	Event	Title	Date	Beneficiaries
2018 (Total No., of events conducted-05)				
1.	A Guest Lecture By Mr M.Vijay Kumar, CEO, I-WIN IP Services Private Ltd.	“The importance of Intellectual Property Rights on Business”	31.03.2018	III B.Tech ECE and EIE students
2.	A Guest Lecture By Mr. B. Nagesh, Motivational Speaker, NIMHANS	“Motivation, Attitude & Life Skills”.	24.03.2018	I B.Tech Students (EEE, ECE,EIE and AME)
3.	A seminar By Mr K.Radha Krishna Shastry, Manager HAL- Hyderabad	“Role of materials in mechanical engineering”	27.02.2018	I B.Tech Mechanical Students
4.	Workshop By H&S Maths Faculty	“Mathematics for Machine Learning”	10.01.2018 to 10.02.2018	Faculty
5.	A Guest Lecture By Yamini Meduri , Assistant Professor, VJIM. Young Scientist award recipient from DST.	‘Life skills for Employability’.	19.01.2018	III B.Tech II Sem CE and ME Students
2017 (Total No., of events conducted-11)				
1.	One day event on “National Mathematics day” in commemoration of 130 th Birth anniversary of Sri srinivasa Ramanujan	A talk by Prof. Kuppuswamy Rao, Retd., Professor, Osmania University	22.12.2017	Faculty and Students
2.	FDP By 1. Dr E.S.M Suresh, Professor &Head Civil Engineerring, NITTTR	“Instructional Design& Delivery Systems”	11.12.17 to 16.12.17	Faculty members

	Chennai 2. Dr G.Janardhanan, Assoc. Prof, Center for Environment Management, NITTTTR, Chennai			
3.	Guest Lecture by Ankit Baheti, Senior scientist Formulation R&D Reddy's Laboratries Ltd.,	"Pharmaceutical Industries in Instrumentation Engineering and their Environmental aspects"	18.11.17	I B.Tech EIE-2 Students
4.	Guest Lecture by Mr.V. Laxma Reddy, Director, IMSE, Hyderabad	" Application of Physics in Instrumentation Engineering and its importance in the Industry"	26.10.17	Students and Faculty
5.	Faculty Development Programme	A Motivation Lecture on "Basics of Nano Electronics" Conducted by Center for Nanoscience and Technology	26.04.2017	Students were motivated to expand their knowledge in the area of Nano Electronics
6.	Guest Lecture by Center for Education Technology, H&S	Commemoraty OPEN EDUCATION WEEK - 27 th -31 st March, 2017. Guest Lecture on Spoken Tutorials & MOOCs Conducted by Center for Education Technology, H&S	27.03.2017	Faculty members
7.	Guest Lecture	Nuclear Magnetic Resonance: Molecule to Human.	18.02.2017	B.Tech EIE Students
8.	Faculty Development Programme	Faculty training on Education Technology and method is Screen Cast. organized by Center for Education Technology	06.02.2017	Faculty members
9.	NSS EVENT	28 th Road Safety Week	21.01.2017	Students were demonstrated about rules to be followed for safety.
10.	Workshop	Workshop on "Understanding,	19.01.2017	Faculty Members

		Creating and sharing Open Education Resources" Organized by Center for Education Technology		
11.	Guest Lecture	Research, Academia and the profession	10.01.2017	Faculty members of H&S
2016 (Total No., of events conducted - 08)				
1.	Guest Lecture	1. Paper Based Lithium ion batteries for flexible hybrid electronics. 2. Analytical Analysis of Human breath for identifying significant changes in composition induced from hypoglycemia	30.12.2016	IV B.Tech ECE, EIE, EEE students and CNST Members
2.	Interactive session-Hands-on-experience	POGIL Resource Person: Cliff Kussamoul	09.12.2016	60 faculty members
3.	Understanding the Global Education Frame Work and Technology in Education-Indian Perspective Organized by CET	Guest Lecture Resource Person: MouttucoumarranVirramouttu Education Counselor	26.11.2016	50 Faculty members
4.	Training Session Organized by CET	Flipped Class Room Resource Person: S.Nagini, Assoc. Prof./CSE Dept.,	16.11.2016	35 Faculty members
5.	Training Session	Bloom's Taxonomy and Think Pair Share (Hands-on-experience) Resource Persons: Prativa Rani Saha S.Kanchana	28-10-16	20 faculty members
6.	Activity on student centered learning Organized by CET	1 day - Training Session on Bloom's Taxonomy and Think Pair Share Resource Persons: Prativa Rani Saha S.Kanchana	21.10.2016	32 Faculty members
7.	2 day - Orientation cum Workshop	New and Emergent pedagogies for 21 st century engineers"	18.05.16 & 19.0516	45 Faculty members
8.	Interactive Session /Discussion	Innovative Practices - POGIL and Learning by Doing	15.02.16	20 Faculty members
2015 (Total No., of events conducted - 03)				

1.	Workshop	Design of POGIL activities Resource Person: Kelly Butler, Full Bright Scholar, Chestnut Hill college, U.S.A.	20. 11.15	10 faculty members/CSE Dept., & M.Tech students
2.	Skype Training Sessions	Learning by Doing	27.10.15	Faculty of E.I.E
3.	On-line Workshop Organized by H & S Dept., In collaboration with IIT Bombay	Using Moodle on Technical Communication for Scientists & Engineers	08-10-15 to 25.11.15	35 faculty members
2014 (Total No., of events conducted - 03)				
1.	2-Day Workshop	Outcome Based Education	08.12.14 To 09.12.14	20 faculty members
2.	1-Day Workshop	WIT & WIL	03-12-14	15 faculty members of EIE
3.	Micro Teaching Sessions	Micro Teaching	03-07-14	06 faculty members of CE
2013 (Total No., of events conducted - 04)				
1.	Micro Teaching Sessions	Micro Teaching	14-08-13 To 24-08-13	Faculty members
2.	International Conference	REIMAGINE STEM-2013	29-07-13 & 30-07-13	40 Faculty members
3.	Interactive session - POGIL Meetings	Design of POGIL activities Dr.Kelly Butler	25-07-13	Faculty members
4.	Training session	Introduction to POGIL	09-05-13	Faculty members
5.	Training Session	Art of Teaching	13-05-13 to 15-05-13	Faculty members of CE Dept.,
For the Year 2012-13				
1.	International Workshop	3-Day International Workshop on "REIMAGINE STEM" - Dr. T. Jayashree	05.08.13 To 07.08.13	Faculty members
