**CREATIVE ARTS -THE ART CLUB**

**(Annual Report for the year 2021-2022)**

Art has been a part of life for as long as humanity has existed. Art is something that captures the eyes. We as artists try to inspire people, communicate ideas and emotions through our works. Creative arts is one such that group which includes fine art, sketching and many other things. Creative arts is a rainbow term describing different styles of art. Throughout the year, creative arts has conducted many events which encouraged students to explore their creative and artistic side. Events promote and create awareness about new art forms and craft techniques.

The Creative Arts Club triggers and provides an aura for students to explore experiment, discover, realize their potential and implement the creative minds in their respective fields.

**Student Coordinators:** V. Sai Goutham (IV MECH), V. Chetan (IV ECE),  
T. Swapnika (IV CSE)

Submission Due - 23:59 23rd Sept  
@ f / cea\_ici\_igbc

## Orientation

This year, for the orientation; We set up a display of various artworks like paintings, sketches, portraits, doodles and crafts. We also performed live art in the KS Auditorium which received a great response from the students and the faculty. This made us reach out to many students and faculty about the beauty in art.

## Inktober:

During the month of October, club has conducted inktober. Inktober is a month-long art challenge created by artist Jake Parker which is focused on improving skills and develop positive drawing habits. All the artists create an ink art everyday throughout October and the best ones gets featured on our social media accounts.

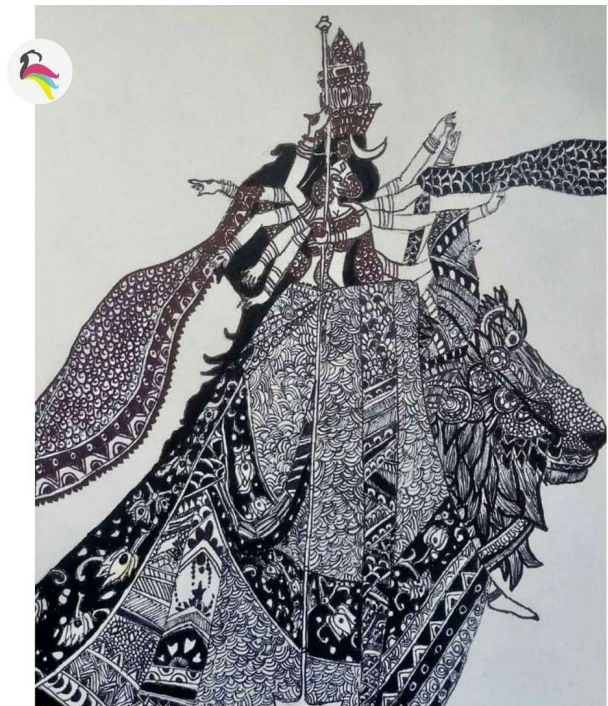

This event makes everyone make arts on daily basis based on given theme and present their idea in the most creative way.

## Models for Convergence:

Convergence, the technical fest of our college conducted every year. For this year of convergence our club made A 3D model of VNRVJIET using pebbles, Spiderman no way home 3D model with cardboard, a string art of our club logo and a 3D painting of convergence on the road. Apart from those models we also put-up stalls displaying various arts and crafts of the club members.

## Cultural Fest-Sintillashunz:

For the cultural fest Sintillahunz, which is conducted every year, the club has put up a stall displaying different arts and crafts of the club members as well as a photo booth. As the team of Creative arts have made a wall art of a passage in B-Block of our campus. The tunnel has the paintings of all technical and cultural clubs of VNR VJIET on one side and on the other side we have filled the wall with doodles.

We also conducted various workshops on origami, painting and events like:

1. Painting Workshop
2. Origami workshop
3. Pebble Painting Event
4. Doodle making contest
5. Tattoo contest

“Art speaks where words are unable to explain.” As the above quote rightly explains art is the gateway to many inexpressible emotions and this sintillashunz, we marked our mark with the best and challenging artistic events as listed down:

### 1. DOODLING:

Doodling is a drawing developed from a random, visual starting point, like a squiggle, and can be used to break with patterns of thinking, stimulate imaginary images and ideas or provide visual brainstorms, often with a surprising and fresh result.

This is how the contest went:

## 2. PEBBLE PAINTING:

Pebble art which is also known as pebble mosaic. In pebble painting we paint on pebbles or cobbles. The idea of pebble painting is simple. We paint rocks bright colors or with short messages on them and hide them – preferably in plain sight – so that people find them.

### Photos of the painted rocks:

### 3. TATTOO MAKING

A tattoo is a form of body modification made by inserting ink, dyes or pigments, either indelible or temporary, into the layer of the skin to form a design. The art of making tattoos is known as tattooing.

#### Photos related to Tattoo Making:

## **FUTURE ACTIVITIES**

S.no	NAME OF THE ACTIVITY	DATE OF ACTIVITY
1	Wall art	Last month of may
2	To conduct workshops in cultural fest	First week of June
