MINUTES

1) Approval of B.Tech course structure and I year B.Tech syllabus: The course structure and 1 year B.Tech syllabus have been approved by the members. However, the members suggested to include electives from the 1st year itself to make the students industry ready.

2) Approval of M.Tech course structure, syllabus and Regulations: The Principal informed the members that the Institute is following the University's M.Tech course structure, syllabus and Regulations and no change has been made after attaining Autonomous Status. M.Tech course structure, syllabus and academic regulations have been approved.

3) Academic Regulations: The members suggested the following points to be incorporated in the B.Tech Academic Regulations:

- To define clearly regarding Promotion policy on the B.Tech lateral entry students.
- To consider the best of two internal mid examinations for calculating internal marks in Semester.
- To conduct of supplementary examinations of odd semester during even Semester Regular examinations and that of even semester during odd Semester Regular examinations.
- Under minimum academic requirements: promotion from III year to IV year the requirement of credits are 62.

- Transitory Regulations – Suggestion from the members to include – students to take up equivalent subjects as substitute subjects in place of repetition of subjects, as decided by the Institute Academic Committee.
- Admission procedure to be mentioned in the Academic Regulations book in accordance with the State Government and University guidelines from time to time
- The University will pass on the guidelines to the newly constituted Autonomous Colleges regarding submission of data including attendance and marks of the students soon.
- Malpractice Rules need not be specified in Academic Regulations.
- Condonation of Attendance clause to be mentioned with more clarity.

Academic Regulations and B.Tech courses are approved through incorporating the above suggestions.

The Principal expressed thanks to the members for accepting our invitation and attending the Academic Council meeting and for their valuable suggestions.

The meeting concluded with thanks to the Chair.

(Dr.C.D. Naidu)
