PGECET CODE: VJEC1

# Department of Information Technology

## Student Testimonial

"Being a part of VNRVJIET, I had the opportunity to increase my networking and enhance my social skills through events and fests. I am grateful to all the faculties, mentors and entire IT department for providing us with quality education. The weekly training sessions conducted are very helpful to build skillset in mezzanine technologies. The seminars and technical talks helped me gain perspective of industry side of things. I am also thankful to T&P Cell for organizing great companies for placements especially during pandemic"

**Juttu Noshitha Padma Pratyusha(17071A12D8)**

"My Experience at VNRVJ Institute of Engineering and Technology was great and memorable. Since from first year of Btech, faculty of IT department made students to learn and practice. Since then I got more support and learning opportunity from the faculty of IT Department. Our department provided lot of training programs on latest technologies since the starting from the academic year so that students can learn and grow into that skill. Because of these training programs we placed in MNC companies. I am greatful and thankful to the IT department for providing quality education and TNP cell for organizing great companies for placement. The seminars and industrial tours again helped me to combine my theoritical knowledge of business operations with the practical knowledge of it's actual functioning"

**Durgam Archana(17071A12D1)**

"It gives me great pleasure to say with pride that I have completed my graduation in Information Technology from VNRVJIET. The relationship between faculties and students is very cordial, which gave me opportunity to excel in my area of interest. The facilities provided by our department helped me in achieving my target. Seminars and extra trainings on coding provided by the department are helpful for building our skillset. The all-time support and motivation of the faculty members has enlightened throughout this wonderful journey." I mention that more training programs are required on latest technologies to IT students"

**Nukala Koushik(16071A1241)**

"VNRVJIET has been an integral part of my life. I have learnt a lot about growing as an individual, both in the Technical and Non-Technical domain from this abode of education. Being a part of the Information Technology department, the opportunities that I have received are unparalleled. Furthermore, I have also had the opportunity to pick up a variety of Mezannina skills, Web Development practices and Networkingcapabilities, which help me immensely in my professional career today. I will forever be thankful to the Information Technology Department of VNR VJIET and the Training and Placement Department of VNR VJIET for shaping me into an industry ready, highly competent individual"

**Siddarth Saxena(18071A12G9)**
