

**VALLURUPALLI NAGESWARA RAO VIGNANA JYOTHI
INSTITUTE OF ENGINEERING & TECHNOLOGY
HYDERABAD
(An Autonomous Institute)**

**ACADEMIC RULES AND REGULATIONS OF FOUR-YEAR
B.TECH. REGULAR DEGREE PROGRAMME APPLICABLE
FOR THE STUDENT BATCHES ADMITTED FROM THE
ACADEMIC YEAR 2022 – 2023**

1.0 PREAMBLE:

Vallurupalli Nageswara Rao Vignana Jyothi Institute of Engineering and Technology (VNRVJIET) aims at achieving academic excellence by implementing new initiatives in teaching-learning and evaluation processes. Based on the directions of the University Grants Commission (UGC), New Delhi, All India Council for Technical Education (AICTE), New Delhi and Jawaharlal Nehru Technological University (JNTU) Hyderabad, VNRVJIET introduced the Choice Based Credit System (CBCS) in both the under-graduate and post-graduate programmes offered from the academic year 2015 – 2016. Keeping in view of the standardization of the higher education system in India, VNRVJIET is continuing the implementation of CBCS ahead. In line with the **National Education Policy (NEP) 2020**, many of the NEP reforms and initiatives have been implemented under these academic regulations and curriculum. Some of the initiatives are listed below:

- B.Tech. Honor and Minor degrees
- Credit Transfer through SWAYAM-NPTEL
- Courses on Skill Development
- Mandatory Internships as part of curriculum
- Industry offered elective courses
- Track based Open elective courses in Emerging areas
- Course on Foreign language
- Courses on Professional Ethics and Human Values, Entrepreneurship
- Courses on environment, sustainability and gender sensitization
- Certificate courses
- Student Induction Program

2.0 SHORT TITLE, APPLICATION AND COMMENCEMENT:

- These regulations shall be called as the "**VNRVJIET B.Tech. Choice Based Credit System (CBCS) Academic Regulations, 2022**". In short, it shall be referred as '**VNRVJIET B.Tech. CBCS R22 Regulations**'.
- The regulations are quite comprehensive and include definitions of key terms, semester system, credit system, grading system and other relevant details.
- The regulations detailed herein shall apply to all the regular and professional under-graduate programmes offered by the Institute.
- These regulations shall be applicable and come into force to the student

VNRVJIET B.Tech. CBCS R22 Academic Regulations

- batches admitted from the academic year 2022-2023 onwards.
- The Institute may revise, amend or change the regulations, scheme of examinations and syllabi, from time to time, if found necessary and on approval by the Academic Council of the Institute, keeping the recommendations of the BoS in view.
 - Any or all such amendments shall be effective from such date and to such batches of students including those already undergoing the programme, as may be approved through Academic Council of the Institute.

3.0 CHOICE BASED CREDIT SYSTEM:

- The Choice Based Credit System (CBCS) enables a student to obtain a degree by accumulating the required number of credits prescribed for that degree. Under the CBCS, the requirement for awarding a degree is prescribed in terms of number of credits to be completed by the students. The number of credits earned by the student reflects the knowledge or skill acquired by him / her. Each course is assigned with a fixed number of credits based on the contents to be learned. The student also has choice in selecting the courses out of those offered by the various departments. The grade points earned for each of the course reflects the student's proficiency in that course.
- The CBCS provides the student flexibility in duration to complete a programme of study. The CBCS facilitates transfer of credits earned in different departments or institutions of higher education in India.
- The CBCS permits students to:
 1. Choose electives from a wide range of elective courses offered by the departments.
 2. Undergo additional courses of interest.
 3. Adopt an interdisciplinary approach in learning.
 4. Make the best use of expertise of the available faculty.

4.0 ABBREVIATIONS:

Abbreviation	Full Form
AAT	Alternative Assessment Tool
AC	Academic Council
AICTE	All India Council for Technical Education
B.Tech.	Bachelor of Technology
BIE	Board of Intermediate Education

5.0 NOMENCLATURE:

S. No.	Keywords	Definition
1.	Academic Council:	Highest academic body of the Institute and is responsible for the maintenance of standards of instruction, education and examination within the Institute. Academic Council is an

VNRVJIET B.Tech. CBCS R22 Academic Regulations

		authority as per the AICTE / UGC regulations and has the right to take decisions on all academic matters including academic research.
2.	Academic Plan:	A document defining the course contents and complete details of plan of delivery of the course viz. Course title, Course code, Pre-requisite, Credit structure, Team of instructors, Course objectives, Course outcomes, Mapping of course outcomes and programmes outcomes, relevant syllabus, textbook(s) and reference books, Course session plan and delivery plan, evaluation method, course notices and other course related aspects.
3.	Academic Year:	A period that is necessary to complete courses of study. It consists of two consecutive (one odd + one even) semesters.
4.	Admission Procedure:	As prescribed by the Government of Telangana.
5.	Assessment:	Assessment is one or more processes, carried out by the Institution that identify collect and prepare data to evaluate the achievement of Program Educational Objectives and Program Outcomes.
6.	Audit Course:	A course of study which has neither evaluation component nor a grade.
7.	Autonomous Institute:	An Institute designated as 'Autonomous' by University Grants Commission (UGC), New Delhi in concurrence with the affiliating University i.e., Jawaharlal Nehru Technological University, Hyderabad and Telangana State Government.
8.	Backlog Course:	A course is considered to be a backlog course if the student has obtained a Fail (F) grade.
9.	Basic Science Courses:	Courses of foundational nature in the areas of Mathematics, Physics, Chemistry, Biology etc.
10.	Betterment:	Betterment is a way that contributes towards improvement of the students' grade in any course(s). It can be done by either (a) re-appearing or (b) re-registering for the course.
11.	Board of Studies:	An authority, as defined in UGC regulations, constituted by the Principal for each of the department separately. The board is responsible for curriculum design and update in respect of all the programmes offered by a department.

VNRVJIET B.Tech. CBCS R22 Academic Regulations

12.	Branch:	A discipline or specialization of a degree programme like Civil Engineering, Mechanical Engineering etc.
13.	Certificate Course:	A course that makes a student gain hands-on expertise and skills required for holistic development. It is a mandatory, non-credited course for the award of degree.
14.	Choice Based Credit System (CBCS):	A system which provides choice for students to select from the prescribed courses.
15.	Compulsory Course:	Course required to be undertaken for the award of the degree as per the programme.
16.	Continuous Internal Evaluation (CIE):	Summative assessments used to evaluate student learning, acquired skills, and academic attainment during a course.
17.	Course:	A course offered for learning in a particular semester by the Institute. These could be theory / laboratory / project work / mini project / internship etc. and may comprise of lectures / tutorials / practicals / assignments / examination / viva-voce etc. All the courses need not carry the same weightage. A course is defined through course objectives and course outcomes.
18.	Course Outcomes (CO):	Statements describing essential skills that each and every student need to acquire at the end of a course. They can be from 3 to 5 for all the courses.
19.	Course Registration:	Process of enrolling into a set of courses in a semester of the programme.
20.	Credit:	A unit by which the course work is measured. It determines the number of hours of instructions required per week. One credit is equivalent to one lecture hour of teaching (lecture or tutorial) or two hours of practical / fieldwork per week.
21.	Credit Based Semester System (CBSS):	A system which prescribes the number of credits to be secured by the student for the requirement of award of degree.
22.	Credit Point:	A product of grade point and number of credits for a course.
23.	Credit Transfer:	The procedure of granting credit(s) to a student for course(s) undertaken online through MOOC.
24.	Cumulative Grade Point Average (CGPA):	A measure of overall cumulative performance of a student over all semesters. It is the ratio of total credit points secured by a student in various courses in all semesters and the sum of the total credits of all courses in all the semesters. It is expressed up to two decimal places.

VNRVJIET B.Tech. CBCS R22 Academic Regulations

25.	Curriculum:	Curriculum incorporates all the courses that are offered in a specific discipline. It also indicates the planned interaction of students with instructional content, materials and resources.
26.	Degree:	A student who fulfills all the programme requirements is eligible to receive a degree.
27.	Department:	An academic entity that conducts relevant curricular and co-curricular activities, involving both teaching and non-teaching staff and other resources.
28.	Detention:	Student who does not secure minimum required attendance in AGGREGATE shall be detained OR Student who does not secure minimum credits required for promotion from one year to the next shall be detained.
29.	Dropping of Courses:	A student who does not want to register certain courses should do so in writing in a prescribed format within the time frame as mentioned in these regulations.
30.	Engineering Science Courses:	Courses belonging to the basic evolutionary aspects of engineering from Mechanical Engineering, Electrical Engineering, Computer Science etc. like Workshop Practices, Engineering Graphics, Engineering Drawing, Programming through C, Basics of Electrical Energy for Engineers, Engineering Mechanics, etc.
31.	Evaluation:	Evaluation is the process of judging the academic work done by the student in his / her courses. It is done through a combination of continuous internal evaluation and semester end examinations.
32.	Field Project:	A credit-based course that a student has to undergo, as prescribed in the programme, which involves the student to undertake issues related to societal impact, problems faced by industries, companies, and any organizations which they encounter in their day-to-day work related to the discipline.
33.	Grade Point:	A numerical weight allotted to each letter grade on a 10-point scale.
34.	Grade Sheet:	Based on the grades earned, a grade sheet shall be issued to all the registered students after every semester. The grade sheet shall display the course details (Course code, Course title, number of credits, grade secured) along with SGPA of that semester and CGPA earned till that semester.
35.	Humanities & Social Sciences Courses:	Courses offered in the area of humanities and liberal arts.

VNRVJIET B.Tech. CBCS R22 Academic Regulations

36.	Industrial Visit:	Visit to a company / firm as per the academic requirement.
37.	Industry Oriented Mini-Project	A credit-based course that a student has to undergo during a specified semester involving exploration in a discipline belonging to their research interest within their programme of study.
38.	Institute:	VNRVJIET
39.	Internship:	A period of training / work experience offered by an industry / research organization / academic institution for a limited period of time as specified in these regulations.
40.	Laboratory based Course Projects:	A student-centric learning methodology wherein students work as individuals or in teams in a laboratory for design, problem-solving, decision making, and investigative activities.
41.	Letter Grade:	An index of the performance of students in a said course. Grades are denoted by letters like O, A+, A, B+, B, C, F, Ab.
42.	Mandatory Courses:	Compulsory non-credit courses that a student need to study as prescribed in the programme.
43.	Mapping	Mapping is the process of representing the correlation among the Course Outcomes and program Outcomes and Program Specific Outcomes in a matrix form.
44.	Massive Open Online Courses (MOOC):	Open access online courses aimed at providing ways to learn new skills.
45.	Open Elective Courses:	Courses of interdisciplinary nature offered to all the students of various programmes across the Institute.
46.	Outcome Based Education:	An educational theory wherein each part of an educational system is based around goals (outcomes). Each student should have achieved the goal by the end of the educational experience.
47.	Overloading:	Registering for more number of credits than normally prescribed by the programme in a semester.
48.	Pre-requisite:	A course whose knowledge is required for registration into higher level course.
49.	Professional Core Courses:	Courses that are fundamental constituents of the respective engineering discipline.
50.	Professional Elective Courses:	Courses those are discipline specific.
51.	Programme:	A set of courses offered by the department leading to the award of degree in that programme.

VNRVJIET B.Tech. CBCS R22 Academic Regulations

52.	Programme Educational Objectives (PEO):	Broad statements that describe the career and professional accomplishments that the program is preparing graduates to achieve.
53.	Programme Outcomes (PO):	Statements describing the essential skill sets that each and every student need to possess at the time of graduation. These skill sets based on the graduate attributes as defined by the National Board of Accreditation (NBA) are in the areas of employability, entrepreneurial, social, and behavioral aspects. They are 12 in number for a specific programme and are subjected to modification from time to time as defined by the NBA.
54.	Programme Specific Outcomes (PSO):	Statements that describe what the graduates of a specific programme should be able to do. They can be 3 to 5 in number for a specific programme.
55.	Project:	A credit-based course that a student has to undergo, as prescribed in the programme, which involves the student to undertake a research or design that is carefully planned to achieve a particular aim.
56.	Re-appearing:	A student can reappear only in the supplementary semester end examination for the external component of a course, subject to the exam registration and the regulations contained herein.
57.	Regulations:	The rules and regulations contained herein that are common to all the B.Tech. programmes offered by the Institute and designated as "VNRVJIET B.Tech. CBCS R22 Regulations"
58.	Re-registering:	A student desiring to repeat a course is permitted to do so, subject to the regulations contained herein.
59.	Rubrics:	Tool for assessment and grading for measuring students' performance and learning.
60.	Semester:	Each semester shall consist of 16 weeks of academic work excluding examination and evaluation.
61.	Semester End Examination:	An examination conducted at the end of a course of study i.e., after the completion of instruction in a semester.
62.	Semester Grade Point Average:	A measure of performance of work done in a semester. It is ratio of total credit points secured by a student in various courses registered in a semester and the total course credits taken during that semester. It shall be expressed up to two decimal places.

VNRVJIET B.Tech. CBCS R22 Academic Regulations

63.	Skill Development Course:	A credit-based course offered for gaining experience in certain skills.
64.	Substitute Courses:	A course that is offered in place of another course that is already studied by the student and is repeated in the semester of study.
65.	Underloading:	Registering for lesser number of credits than normally prescribed by the programme in a semester.
66.	University:	Jawaharlal Nehru Technological University Hyderabad
67.	Virtual Laboratories:	Web enabled experiments for remote operation so as to increase the curiosity and innovation of students and provide hands-on experience.

6.0 UNDER-GRADUATE DEGREE PROGRAMMES ON OFFER:

VNRVJIET offers 4-year (8 semesters) **Bachelor of Technology (B.Tech.)** degree programme, under **Choice Based Credit System (CBCS)**, with effect from the academic year 2022 - 2023 onwards, in the branches as shown in the Table 1.

Table 1 B.Tech. programmes of study on offer

S. No.	B.Tech. Branch
1	Artificial Intelligence and Data Science
2	Automobile Engineering
3	Civil Engineering
4	Computer Science and Business Systems
5	Computer Science and Engineering
6	Computer Science and Engineering (Artificial Intelligence and Machine Learning)
7	Computer Science and Engineering (Cyber Security)
8	Computer Science and Engineering (Data Science)
9	Computer Science and Engineering (IoT)
10	Electrical and Electronics Engineering
11	Electronics and Communication Engineering
12	Electronics and Instrumentation Engineering
13	Information Technology
14	Mechanical Engineering

7.0 ELIGIBILITY FOR ADMISSION:

The eligibility criteria for admission into B.Tech. degree programmes offered at VNRVJIET shall be as prescribed by the Government of Telangana. The criteria are given below:

- The candidate shall be an Indian National / NRI.
- The candidate should have completed 16 years of age as on 31st December of the academic year for which the admissions are being conducted.
- The candidate should have passed the qualifying examination (10+2) or equivalent as on the date of admission recognized by BIE, Telangana State.
- Seats in each programme in the Institute are classified into two categories i.e., **Category – A** and **Category – B** as per the Government Orders.

VNRVJIET B.Tech. CBCS R22 Academic Regulations

- **Category – A Seats**

These seats shall be filled through counseling as per the rank secured by a candidate in the Entrance Test (EAMCET) conducted by the Government of Telangana and as per other admission criteria laid down in the Government Orders.

- **Category – B Seats**

These seats shall be filled by the Institute as per the Government Orders issued by the Government of Telangana from time to time.

- **Direct Admission to Second Year: (Lateral Entry Scheme)**

A candidate shall be admitted into the III semester (II year I semester) based on the rank secured by the candidate in the Engineering Common Entrance Test [ECET (For Diploma Holders)] by the Government of Telangana and as per other admission criteria laid down in the Government Orders.

8.0 MEDIUM OF INSTRUCTION:

The medium of instruction for the entire B.Tech. programmes shall be **English** for all the courses including their content delivery and examinations, seminars, presentations, and project evaluation as prescribed in the programme curriculum.

9.0 B.TECH. PROGRAMME STRUCTURE:

The structure of the B.Tech. programmes on offer at VNRVJIET are based on the **Choice Based Credit System (CBCS)** and **Credit Based Semester System (CBSS)** as defined by the UGC and the curriculum / course structure as suggested by the AICTE in its Model Curriculum.

Semester Scheme:

- The B.Tech. programmes offered at VNRVJIET follow **semester scheme** pattern.
- The duration of a B.Tech. programme shall be of **4 academic years**.
- Each academic year shall have **2 semesters** i.e., odd and even semesters and shall be counted as I semester, II semester, III semester, IV semester and so on upto VIII semester.
- Each semester shall consist of **22 weeks** (≥ 90 instructional days) of academic work including examination and evaluation.
- Each semester is structured to provide credits totaling to **160 credits** for the entire B.Tech. programme.
- Each semester shall have '**Continuous Internal Evaluation (CIE)**' and '**Semester End Examination (SEE)**.'
- Each student shall secure a total of **160 credits with a CGPA ≥ 5** required for the completion of the B.Tech. programme and the award of the B.Tech. degree.
- A student after securing admission into a B.Tech. programme at VNRVJIET shall pursue and acquire the B.Tech. degree in a **minimum period of four academic years i.e., 8 semesters** and a **maximum period of eight academic years i.e., 16 semesters** starting from the date of commencement of I semester (I year I semester), failing which the student shall forfeit the seat in B.Tech. programme.

VNRVJIET B.Tech. CBCS R22 Academic Regulations

10.0 DURATION OF THE ACADEMIC PROGRAMMES:

- Under CBCS, programme duration shall be defined by the period in which a student earns the prescribed credits for the award of B.Tech. degree.

❖ Normal Duration:

- The duration of the B.Tech. degree programme shall be **four years**.
- The duration of the B.Tech. degree programme for students admitted under lateral entry scheme (LES) shall be **three years**.

❖ Maximum Duration:

- The **maximum period** in which a student can complete a full time B.Tech. degree programme shall be **twice the normal duration of the programme, i.e., eight years (16 semesters) for B.Tech. degree and six years (12 semesters) for students admitted under lateral entry scheme (LES) i.e., (For Diploma Holders)** respectively.
- The maximum period for a programme shall also be dictated by the fact that a student has to demonstrate the prescribed minimum academic performance by registering for the prescribed number of credits in every semester, for continuing in the programme. This period can be equal to or lesser than the maximum period indicated as indicated above.

11.0 COURSES AND CREDIT STRUCTURE:

- Every course in the B.Tech. programme of study has a Lecture-Tutorial-Practical (L-T-P) component attached to it. Based upon the L-T-P structure, the credits are allotted to a course using the criteria as shown in the Table 2.

Table 2 Contact hour and credit structure

Type of Course	Component	Contact Hours / Week	Credits (C)
Theory	Lecture (L)	1	1
	Tutorial (T)	1	1
Laboratory	Practical (P)	2	1
Drawing / Design	Drawing / Design (D)	2	1

- Courses like Induction Programme, Environmental Science, Intellectual Property Rights, Happiness and Well Being, Ancient Wisdom, Gender Sensitization, Constitution of India are mandatory audit courses. These courses shall not carry any credits.
- Every course of the B.Tech. programme shall be offered by a specific section / department. The unique codes of the section / department offering the courses are given in the Table 3.

VNRVJIET B.Tech. CBCS R22 Academic Regulations

Table 3 Course offering section / department

Course Offering Section / Department	Code
Physics	PH
Chemistry	CH
English	EN
Mathematics	MT
Management	MG
Humanities & Social Sciences	HS
Civil Engineering	CE
Electrical & Electronics Engineering	EE
Mechanical Engineering	ME
Electronics & Communication Engineering	EC
Computer Science & Engineering	CS
Electronics & Instrumentation Engineering	EI
Information Technology	IT
Automobile Engineering	AE
Computer Science & Business Systems	CB
Computer Science and Engineering (Artificial Intelligence and Machine Learning)	AM
Computer Science and Engineering (Cyber Security)	CY
Computer Science and Engineering (Data Science)	DS
Computer Science and Engineering (IoT)	IN
Artificial Intelligence and Data Science	AD

❖ Structure:

- Every B.Tech. programme of study shall be designed to have theory and laboratory courses. In addition, a student shall carry out skill development course, field project, internship, industry oriented mini-project, project, design thinking and other courses as prescribed in the curriculum of the programmes.
- Every course offered under a B.Tech. programme shall be placed in one of the course categories with minimum credits as listed in the Table 4.
- The course group / category along with their broad classification and description are listed in the Table 5.

VNRVJIET B.Tech. CBCS R22 Academic Regulations

Table 4 Category of Courses, their Codes and Distribution of Credits

Type of Courses		Course Category	Code	Range of Credits	Credit Composition (%)
Compulsory Courses	Foundation	Engineering Science	ES	16-25	10-16
		Basic Science	BS	18-22	11-14
		Humanities & Social Science Incl. Management	HS	8-11	5-6.9
	Core	Professional Core	PC	60-68	38-43
	Project	Project	PW	16	10
Elective Courses		Professional Elective	PE	18	11
		Open Elective	OE	12	7.5
Mandatory Audit Courses		Mandatory	MN	Non-Credit	--
Total				160	
MOOC		Online	OL	--	--
Virtual Laboratories		Online	VL	--	--

Table 5 Description of Courses

Broad Course Classification	Course Group / Category	Description of Courses
Foundation	Basic Sciences (BS)	Includes mathematics, physics, chemistry and biology courses
	Engineering Sciences (ES)	Includes fundamental engineering courses
	Humanities and Social Sciences (HS)	Includes courses related to humanities, social sciences and management
Core	Professional Core (PC)	Includes core courses related to the parent discipline / department / branch of engineering
	Project Work (PW)	B.Tech. project stage-I and stage-II
	Skill Development Courses / Field Project / Industry Training / Internship / Industry Oriented Mini project	Skill Development Courses / Field Project / Industry Training / Internship / Industry oriented mini project / Design thinking

VNRVJIET B.Tech. CBCS R22 Academic Regulations

Elective	Professional Electives (PE)	Includes elective courses related to the parent discipline / department / branch of engineering
	Open Electives (OE)	Elective courses which include inter – disciplinary courses or courses in an area outside the parent discipline / department / branch of engineering
Mandatory	Mandatory (MN)	Mandatory non-credit courses like Induction Programme, Environmental Science, Intellectual Property Rights, Happiness and Wellness, Ancient Wisdom, Gender Sensitization, Constitution of India

12.0 REGISTRATION / DROPPING/ OFFERING OF COURSE(S):

❖ Course Registration:

- All the students must compulsorily register for course work at the beginning of each semester as per the schedule mentioned in the Academic Calendar.
- It is essential for the students to register for all the prescribed courses in time.
- The registration shall be organized by the department under the supervision of the Head of the Department.
- Every course may have one or more of its preceding course(s) as prerequisite(s).
- A 'faculty advisor or mentor or counselor' shall be assigned to a group of 20 students, who shall advise them about the B.Tech. programme, its course structure and curriculum, choice / option for course / courses, based on their competence, progress, pre-requisites if any and interest.
- The academic section of the college shall invite 'registration forms' from students before the beginning of the semester through '**on-line registration,**' ensuring '**date and time stamping**'.
- The on-line registration requests for any 'current semester' shall be **completed before the commencement of SEEs (Semester End Examinations) of the 'preceding semester.'**
- A student shall register courses online with the approval of faculty advisor or mentor or counselor.' A copy of it shall be retained by the student and other copies be submitted online to the concerned HoD, faculty mentor and Dean of Academics.
- A student may be permitted to register for all the courses in a semester with credits as prescribed in the course structure of the concerned B.Tech. programme with maximum additional course(s) limited to 6 credits (any 2 elective courses), based on the progress and SGPA / CGPA, and completion of the 'pre-requisites' as indicated for various courses, in the course structure of the programmes and syllabus contents.
- Choice for 'additional courses', not more than any 2 elective courses in any semester, must be clearly indicated, which needs the specific approval and signature of the faculty advisor or mentor or counselor and HoD.
- Additional courses shall be offered only upon meeting the prerequisites, if any, as mentioned in the programme curriculum.
- **If the student submits ambiguous choices or multiple options or erroneous entries during on-line registration of the courses as listed in the course structure, only the first mentioned course shall be taken**

VNRVJIET B.Tech. CBCS R22 Academic Regulations

into consideration and shall be treated as **FINAL** choice.

- **Course options exercised through 'on-line registration' shall be FINAL and cannot be changed or inter-changed; further, alternate choices also shall not be considered.**
- However, if the course that has already been listed for registration by the Head of the Department in a semester could not be offered due to any unforeseen or unexpected reasons, then the student shall be allowed to have alternate choice either for a new course (subject to offering of such a course), or for another existing course (subject to the availability of seats). Such alternate arrangements shall be made by the Head of the Department, with due notification and time-frame schedule, within the **first week** after the commencement of classwork for that semester.
- **IN ABSENTIA** registration **shall not be permitted** under any circumstance.
- **At the time of registration, students should have cleared all the dues of Institute and Hostel (if applicable) in the previous semesters, paid the prescribed fees for the current semester and not been debarred from Institute for a specified period on disciplinary or any other ground.**

❖ **Open Elective Courses:**

- The students have to choose **one open elective course (OE-I) in V semester, one (OE-II) in VI semester, one (OE-III) in VII semester and one (OE-IV) in VIII semester** from the list of open electives offered by other departments and as prescribed in the course structure of the programme.
- However, the **student cannot opt for an open elective course offered by his/her own (parent) department**, if it is already listed under any category of the courses offered by parent department in any semester.
- **Open elective courses that are already studied by a student cannot be pursued again/repeated even if offered.**
- Open elective courses should not match with any course category (Professional Core, Professional Electives, Mandatory Courses etc.) even in the forthcoming semesters.

❖ **Professional Elective Courses:**

- Students shall register for a total of **06 professional elective courses (PE-I to PE-VI)** from the list of professional elective courses as prescribed in the course structure of the programme.
- Compulsory core courses can be chosen by the students of the respective disciplines only.
- However, the students of a particular discipline can register for discipline / interdisciplinary courses of other disciplines provided they have met the pre-requisite or when the pre-requisite is waived by Dean of Academics. Courses that are already studied by a student cannot be pursued again/repeated even if offered.
- In case of options from students of other departments/branches/disciplines for professional elective courses (not open elective courses), **first priority** shall be given to the student of the **parent department**.

❖ **Dropping of Courses:**

- Dropping of one or more courses may be permitted, only after obtaining prior approval from the faculty advisor or mentor or counselor (subject to retaining of minimum credits as prescribed in these regulations), **'within a period of**

VNRVJIET B.Tech. CBCS R22 Academic Regulations

15 days' from the beginning of the current semester for maintaining studentship.

- The dropped courses are not recorded in the Grade Card.
- Student must complete the dropped course by registering them as and when offered in the next semester in order to earn the required credits. This is in addition to the minimum number of credits that are required to continue studentship in a semester. However, the total credits registered in a semester should not exceed the maximum number of credits permitted to register in that semester.

❖ Courses to be Offered:

- A typical section (or class) strength for each semester shall be **60**.
- A course may be offered to the students, **only if a minimum of 15 students** opts for it. The **maximum strength** of a section is limited to **80** (60 + 1/3 of the section strength).
- More than one faculty member may offer the same course in any semester.
- Laboratory / practical may be included with the corresponding theory course in the same semester.
- However, **in case of elective courses, selection / allotment of courses, based on the choice for students, shall be based on – 'FIRST COME FIRST SERVE and CGPA criterion' basis in the ON-LINE registration mode.**
- If more entries for registration of a course are received, then the HoD concerned shall decide, whether or not to offer such a course for **two (or multiple) sections** keeping in view the resources available in the department offering the course.

13.0 ATTENDANCE REQUIREMENTS AND DETENTION POLICY:

- A student shall maintain a **minimum required attendance** of **75%** in **AGGREGATE** to be eligible to appear for the Semester End Examinations.
- Minimum required attendance of 75% shall be maintained in all the mandatory courses offered in a semester like Induction Programme, Environmental Science, Intellectual Property Rights, Happiness and Well Being, Ancient Wisdom, Gender Sensitization, Constitution of India etc.
- **Two periods** of attendance for each theory course shall be considered if a student appears for the sessional examination of that course.
- Shortage of attendance upto 10% i.e., attendance between 65% to 75% in aggregate, may be condoned by the Institute Academic Committee based on the rules prescribed by the Institute Academic Committee from time to time.
- **Shortage of attendance below 65 % shall in NO CASE be condoned.**
- A stipulated fee, as fixed by the Institute, shall be payable towards condonation of shortage of attendance.
- **Students whose shortage of attendance is not condoned OR who have not paid the stipulated fee OR who have not cleared any other fee dues to the Institute in any semester are not eligible to write the Semester End Examination (SEE).**
- Students, who **do not meet the minimum required attendance** in a semester, shall be detained in that semester and their **registration for that semester shall stand cancelled, including all academic credentials (internal marks etc.) of that semester. They shall not be promoted to the next semester.**
- Students detained in a semester shall seek re-admission into that semester as

VNRVJIET B.Tech. CBCS R22 Academic Regulations

and when offered again.

- Academic regulations applicable to the semester in which re-admission is sought shall be applicable to the re-admitted student.
- In case if there are any professional electives and/or open electives, the same may also be re-registered if offered. However, if those electives are not offered in the later semesters, then alternate electives may be chosen from the **same** set of elective courses offered under that category.
- Any student against whom any disciplinary action is pending shall not be permitted to attend semester end examination (SEE) in that semester.
- **A student fulfilling the attendance requirement in the present semester shall not be eligible for re-admission into the same class.**

14.0 MINIMUM ACADEMIC REQUIREMENTS:

- In addition to the attendance requirements mentioned in **13.0** of these regulations for the award of B.Tech. degree, a student must satisfy the minimum academic requirements as given below:
- A student shall be deemed to have satisfied the minimum academic requirements and earned the credits for each **theory, practical, design and drawing** course in B.Tech. programme, if student secures
 - ✓ A **minimum of 35% marks (14 marks out of 40 marks)** for each course in the **continuous internal evaluation (CIE)**
 - ✓ A **minimum of 35% marks (21 marks out of 60 marks)** for each course in the **semester end examination (SEE)**, and
 - ✓ A **minimum of 40% marks (40 marks out of 100 marks)** for each course considering **both CIE and SEE** taken together.
 - ✓ In terms of letter grades, a **'C'** grade and above in that course.
 - ✓ A student is **eligible to write Semester End Examination** of the concerned course, if the **student scores \geq 35% marks (i.e., 14 marks out of 40 marks) in CIE.**
 - ✓ **In case, the student appears for Semester End Examination (SEE) of the concerned course but fails to score minimum 35% marks in CIE (i.e., 14 marks out of 40 marks), then his/her performance in that course in SEE shall stand cancelled inspite of student appearing for the SEE.**
- A student shall be deemed to have satisfied the minimum academic requirements and earned the credits allotted to **I year - Elements of CE/EEE/ME/ECE/CSE/EIE/IT/AE** courses and **II year – Field Project courses**, if student secures
- A **minimum of 40% of total marks (20 marks out of 50 marks)** in CIE
- A student shall be treated as **failed**, if he
 - ✓ **remains absent** during the schedule in **I year – Elements ... and II year - Field project courses, OR**
 - ✓ **secures less than 40% marks (20 marks out of 50 marks) in I year – Elements ... and II year - Field project courses, OR**
 - ✓ **does not submit a report in Field project courses OR**
 - ✓ **does not make a presentation** of the same before the evaluation committee as per the schedule in **Field project** courses
- A student shall be deemed to have satisfied the minimum academic requirements and earned the credits allotted to **Internship, Industry oriented mini-project, Project, Design thinking** courses, if student secures
 - ✓ A **minimum of 40% of total marks (40 marks out of 100 marks)** in

VNRVJIET B.Tech. CBCS R22 Academic Regulations

- each of the Internship, Industry oriented mini-project, Project and Design thinking courses
- A student shall be treated as **failed**, if he
 - ✓ **does not submit a report** in Internship, Industry oriented mini-project, **OR**
 - ✓ **does not make a presentation** of the same before the evaluation committee as per the schedule, **OR**
 - ✓ **secures less than 40% marks (40 marks out of 100 marks)** in overall evaluation in Internship/Industry oriented mini project.
 - ✓ In case of a student not meeting any of the above points, student may re-appear once for each of the evaluation of Field project, Internship, Industry oriented mini-project, as scheduled by the evaluation committee; if the student fails in such 'one re-appearance' evaluation also, student has to re-appear for the same in the next subsequent semester, as and when it is scheduled.
 - In order to successfully complete the B.Tech. degree programme, a student shall
 - **register** for all the courses covering **160 credits** as specified and listed in the course structure of the B.Tech. programme,
 - fulfills all the attendance and academic requirements for **160 credits**,
 - **'earn all 160 credits'** by **securing SGPA \geq 5.0** (in each semester) and **CGPA \geq 5.0** (at the end of each successive semester)
 - **passes all the mandatory courses**
 - The performance of the student in these 160 credits shall be considered for the calculation of the final CGPA (at the end of the B.Tech. programme) and shall be indicated in the grade card/marks memo of VIII semester (IV year II semester).
 - If a student registers for 'extra courses' (in the parent department or other departments/branches of Engineering) other than those listed courses totaling to 160 credits as specified in the course structure of his department, then the performances in those 'extra courses' (although evaluated and graded using the same procedure as that of the required 160 credits) shall not be considered while calculating the SGPA and CGPA. For such 'extra courses' registered, percentage of marks and letter grade alone shall be indicated in the grade card / marks memo as a performance measure, subject to completion of the attendance and academic requirements as stated in items 13 and 14 above in these regulations.
 - If a student fails to secure a pass grade in a particular course, it is mandatory that he shall register and reappear for the examination in that course during the next semester when SEE is conducted in that course. It is mandatory that he should continue to register and reappear for the examination till he secures a pass grade.
 - A student eligible to appear in SEE of any course but remains absent from it or gets failed (failing to secure 'C' grade or above) may reappear for that course in the supplementary SEE as and when conducted. In such cases, CIE assessed earlier for that course shall be carried over and added to the marks to be obtained in the supplementary SEE examination for evaluating the performance in that course.
 - **A student detained in a semester due to shortage of attendance, may be re-admitted into the same semester in the next academic year for fulfillment of the academic requirements.** Academic regulations applicable to the semester in which re-admission is sought shall be applicable to the re-

VNRVJIET B.Tech. CBCS R22 Academic Regulations

admitted student. However, no grade allotments or SGPA/ CGPA calculations shall be done for the entire semester in which the student has been detained.

- **A student detained due to lack of credits, shall be promoted to the next year only after acquiring the required academic credits.** Academic regulations applicable to the semester in which promotion is sought shall be applicable to the re-admitted student.
- A student shall register and put up **minimum academic requirement in all 160 credits and earn all 160 credits** for the award of B.Tech. degree.
- The student shall be qualified in **two certificate courses of 40 hours duration each** during his course of study. Out of the two certificate courses, **atleast one certificate course** shall be pursued through **MOOCs platform like SWAYAM-NPTEL online courses, Coursera online courses, BEC certification courses** etc.
- Students who **fail to earn atleast 160 credits** as indicated in the course structure **within eight academic years** counting **from the year of their admission shall forfeit their seat in B.Tech. programme and their admission stands cancelled.**

15.0 PROMOTION RULES:

- **Apart from the minimum required attendance conditions as specified in 13.0 of these regulations, the credit conditions to be fulfilled** by a student for getting promoted from the current semester to the next semester are given in the Table 6.

Table 6 Promotion Rules

S. No.	Promotion	Conditions to be fulfilled
1	I semester (I year I semester) to II semester (I year II semester)	i. Regular course of study of I semester (I year I semester)
2	II semester (I year II semester) to III semester (II year I semester)	i. Regular course of study of II semester (I year II semester). ii. Must have secured atleast 50 % of the total credits upto II semester (I year II semester) i.e., 20 credits out of 40 credits of the respective programme from all the relevant regular and supplementary examinations, whether the student takes those examinations or not.
3.	III semester (II year I semester) to IV semester (II year I semester)	i. Regular course of study of III semester (II year I semester).
4	IV semester (II year II semester) to V semester (III year I semester)	i. Regular course of study of IV semester (II year II semester). ii. Must have secured atleast 60% of the total credits upto IV semester (II year II semester) i.e., 48 credits out of 80 credits of the respective programme from all the relevant regular and supplementary

VNRVJIET B.Tech. CBCS R22 Academic Regulations

		examinations, whether the student takes those examinations or not.
5	V semester (III year I semester) to VI semester (III year II semester)	i. Regular course of study of V semester (III year I semester).
6	VI semester (III year II semester) to VII semester (IV year I semester)	i. Regular course of study of VI semester (III year II semester). ii. Must have secured atleast 60% of the total credits upto VI semester (III year II semester) i.e., 72 credits out of 120 credits of the respective programme from all the relevant regular and supplementary examinations, whether the student takes those examinations or not.
7	VII semester (IV year I semester) to VIII semester (IV year II semester)	i. Regular course of study of VII semester (IV year I semester)

16.0 DISTRIBUTION OF MARKS AND EVALUATION METHODOLOGY:

- The performance of a student in each semester shall be evaluated course wise with a **maximum of 100 marks for theory and practical courses**. I year course on **Elements of Civil Engineering/Electrical & Electronics Engineering/Mechanical Engineering/Electronics & Communication Engineering/Computer Science & Engineering/Automobile Engineering** and II year course on **Field Project** shall be evaluated for **50 marks**. In addition, design thinking, internship, industry oriented mini-project, project stage-I and project stage-II courses shall be evaluated for **100 marks** each.

16.1 Theory Courses:

- The syllabus for the theory courses shall be divided into **FIVE** units and each unit carries equal weightage in terms of marks distribution.
- For theory courses, the distribution of marks shall be **40 marks for Continuous Internal Evaluation (CIE)** and **60 marks for the Semester End Examination (SEE)**.
- ❖ **Continuous Internal Evaluation (CIE - 40 M):**
 - Continuous Internal Evaluation (**CIE**) shall consist of sessional examination (**SE - 30 M**), Class Assessment (**CA - 05 M**) and Experiential Learning Assessment (**ELA - 05 M**).
- **Sessional Examination (SE - 30 M):**
 - For theory courses, **two sessional examinations (SE-I and SE-II)** shall be conducted in each semester as per the academic calendar. Each sessional examination shall be evaluated for **30 marks**.

VNRVJIET B.Tech. CBCS R22 Academic Regulations

- The **time** duration of each SE shall be **2 hours**.
- Question paper pattern for **SE (30 Marks)** shall be as follows:

PART-A: 5 X 2 M = 10 M

- All questions are **compulsory**.
- 02 questions from Unit-I and Unit-II each and 01 question from first half of Unit-III in First sessional examination (SE-I)
- 01 question from second half of Unit-III and 02 questions from Unit-IV and Unit-V each in Second sessional examination (SE-II)

PART-B: 20 M

- There shall be a total of 06 questions.
- There shall be **two questions** from **each UNIT** with **internal choice** i.e., '**either**' '**or**' choice.
- Student shall answer **one question** from **each UNIT**.
- Part-B Paper pattern is as follows:

Sessional Examination - I (SE-I)	UNIT-I	Q.1	8 M	
		OR		
			Q.2	8 M
	UNIT-II	Q.3	8 M	
		OR		
		Q.4	8 M	
Q.5		4 M		
UNIT-III	OR			
	Q.6	4 M		
Sessional Examination - II SE-II)	UNIT-III	Q.1	4 M	
		OR		
		Q.2	4 M	
	UNIT-IV	Q.3	8 M	
		OR		
		Q.4	8 M	
		Q.5	8 M	
	UNIT-V	OR		
		Q.6	8 M	

- First sessional examination (SE-I) shall be conducted on Unit-I, Unit-II and first half of the Unit-III.
- Second sessional examination (SE-II) shall be conducted on second half of the Unit-III, Unit-IV and Unit-V.
- **Average of two SEs** shall be calculated and used as the final sessional marks for each course.

VNRVJIET B.Tech. CBCS R22 Academic Regulations

- **Class Assessment (CA - 05 M):**
 - **Two class assessments** consisting of any one of the alternative assessment tools (AAT) like **online quiz / assignment / objective exam etc.** shall be conducted covering the syllabus that is completed at the time of conducting the CA and evaluated for **05 marks** each.
 - The first and second CAs shall be conducted during the instruction days as per the academic calendar.
 - **Average of two CAs** shall be calculated and used as the final class assessment marks.
 - The valuation and verification of answer scripts of CIE shall be completed within a week after the conduct of the examination.
- **Experiential Learning Assessment (ELA - 05 M):**
 - **Course project / course viva-voce / poster presentation / case study** in the concerned course shall be conducted before **Sessional Examination-I (SE-I) and Sessional Examination-II (SE-II)** and evaluated for **05 marks**.
 - **Average of two ELAs** shall be calculated and used as the final sessional marks for each course.
- ❖ **Semester End Examination (SEE - 60 M):**
 - The **SEE** shall be conducted at the end of semester for a total of **60 marks**.
 - The **time** duration of the SEE shall be **3 hours**.
 - The **syllabus** for the **theory courses** shall be divided into **FIVE units** and each unit carries equal weightage in terms of marks distribution.
 - Question paper pattern for **SEE (60 Marks)** shall be as follows:
 - PART-A: 5 X 2 M = 10 M**
 - a. There shall be **one question from each UNIT**.
 - b. All questions are **compulsory**.
 - PART-B: 5 X 10 M = 50 M**
 - a. There shall be **two questions** from **each unit** with **internal choice** i.e., **'either' 'or'** choice.
 - b. The student shall **answer one question** from **each UNIT**.
 - c. There could be a maximum of two subdivisions in a question i.e., (a) and/or (b).

16.2 Practical Courses:

- For practical courses, there shall be a **continuous internal evaluation (CIE)** during the semester for **40 marks** and **60 marks** for **semester end examination (SEE)**.
- **CIE (40 marks)** shall consist of

✓ Day-to-day	10 marks
✓ Laboratory record	10 marks
✓ Internal practical examination	10 marks
✓ Course project consists of Design or Software / Hardware Model presentation or App Development or Prototype development etc.	10 marks
- SEE shall be conducted at the end of semester for a total of **60 marks**.
- The time duration of the SEE shall be **3 hours**.

VNRVJIET B.Tech. CBCS R22 Academic Regulations

- **SEE (60 marks)** shall consist of
 - ✓ Initial procedures & diagrams 10 marks
 - ✓ Conduct of experiment & collection of data 15 marks
 - ✓ Analysis of data / results / graphs etc. 15 marks
 - ✓ Course project report 10 marks
 - ✓ Viva-voce on concerned laboratory course 10 marks
- SEE shall be conducted by two examiners, one internal and other external concerned with the subject area from the same / other department / Industry.

NOTE:

- Any student who shall **remain absent for any of the CIE**, for any reason whatsoever, shall be deemed to have **secured 'zero' marks in the examination** and **no makeup examination shall be conducted**.

16.3 Supplementary Semester End Examinations:

- Supplementary examinations shall be conducted along with regular semester end examinations (SEE).
- During SEE of even semester, supplementary examinations of odd semester shall be conducted and during SEE of odd semester, supplementary examinations of even semester shall be conducted.

16.4 Drawing and / or Design Courses:

- For drawing courses like Engineering Graphics, Engineering Drawing, Computer Aided Engineering Graphics, Mechanical Drawing Practice etc., there shall be **continuous internal evaluation (CIE) for 40 marks** and **60 marks for semester end examination (SEE)**.
- **CIE (40 marks)** shall consist of
 - ✓ Day-to-day 10 marks
 - ✓ Sessional examinations (Two) 20 marks
 - ✓ Course project 10 marks
- **Sessional examination** shall be conducted in each semester as per the academic calendar.
- **Sessional examination (20 Marks)** shall have a total of **06** questions.
- There shall be **two questions** from **each UNIT** with **internal choice** i.e., **'either' 'or'** choice.
- Student shall **answer one question** from **each UNIT**.
- Paper pattern is as follows:

Sessional Examination - I (SE-I)	UNIT-I	Q.1	8 M
		OR	
		Q.2	8 M
	UNIT-II	Q.3	8 M
OR			
Q.4		8 M	

	UNIT-III	Q.5 OR Q.6	4 M 4 M
Sessional Examination - II SE-II)	UNIT-III	Q.1 OR	4 M
		Q.2	4 M
	UNIT-IV	Q.3 OR	8 M
		Q.4	8 M
UNIT-V	Q.5 OR	8 M	
	Q.6	8 M	

- First sessional examination (SE-I) shall be conducted on Unit-I, Unit-II and first half of the Unit-III
- Second sessional examination (SE-II) shall be conducted on second half of the Unit-III, Unit-IV and Unit-V.
- **Average of two SEs** shall be calculated and used as the final sessional marks for each course.
- **SEE** shall be conducted at the end of semester for a total of **60 marks**.
- The **time** duration of each SE shall be of **3 hours** duration.
- The **syllabus** for the drawing courses is divided into **FIVE units** and each unit carries equal weightage in terms of marks distribution.
- Question paper pattern for **SEE (60 Marks)** is as follows.
5 X 12 M = 60 M
 - a. There shall be **two questions** from **each UNIT** with **internal choice** i.e., '**either**' '**or**' choice.
 - b. The student shall **answer one question** from **each UNIT**.
 - c. There could be a maximum of two sub-divisions in a question i.e., (a) and/or (b).

16.5 I year - Elements of CE/EEE/ME/ECE/CSE/EIE/AE Courses:

- There shall be an elementary course in the respective discipline in I year like Elements of Civil Engineering / Elements of Electrical and Electronics Engineering / Elements of Mechanical Engineering / Elements of Electronics and Communication Engineering / Elements of Computer Science and Engineering / Elements of Electronics and Instrumentation / Elements of Automobile Engineering.
- These courses shall have **continuous internal evaluation only** for **50 marks**.
- **CIE (50 marks)** shall consist of

✓ Day-to-day	10 marks
✓ Internal practical examination	10 marks
✓ Laboratory record	10 marks
✓ Course project	10 marks
✓ Viva-voce	10 marks

VNRVJIET B.Tech. CBCS R22 Academic Regulations

- Student shall have to earn a **minimum of 40% marks**, i.e., **20 marks out of 50 marks** for passing the course.
- There shall be **no external evaluation**.

16.6 II year – Field Project Course:

- There shall be a field-based research project course in II year.
- This course shall have **continuous internal evaluation only** for **50 marks**.
- The internal evaluation shall be on the basis of **two seminars** for **50 marks** one before SE-I and other before SE-II as defined in the academic calendar.
- **Average of marks secured in two seminars** shall be calculated and used as the final sessional marks.
- Student shall have to earn a **minimum of 40% marks**, i.e., **20 marks out of 50 marks** from average of the two seminars.
- There shall be **no external evaluation (SEE)**.
- A student shall be treated as **failed**, if he
 - ✓ **does not submit a report on the project, OR**
 - ✓ **does not make a presentation** of the same before the internal committee as per the schedule, **OR**
 - ✓ **secures less than 40% marks (20 marks out of 50 marks)**

16.7 Design Thinking Course:

- '**Design Thinking**' course leading to independent project shall be evaluated based on capstone project for **100 marks**.
- Evaluation of the course shall consist of both CIE and SIE.
- **CIE** shall be evaluated for **40 marks** by a committee consisting of Head of the Department, course coordinator/teacher and senior faculty member of the department.
- **CIE** shall be made on the basis of **two seminars** conducted and as per the evaluation format provided by the DoA.
- **SEE** shall be evaluated for **60 marks** by a committee consisting of Head of the Department, course coordinator/teacher and an external expert from industry.
- As part of the evaluation, a student shall submit a detailed report regarding the design idea and its conception into a prototype/simulation model etc.

16.8 Internship / Industry Oriented Mini-Project:

- There shall be a **summer internship / industry oriented mini-project** course.
- **Internship** shall be carried out at reputed industry/research organization/academic institution.
- **Industry oriented mini-project** shall be carried out in collaboration with an industry of their specialization.
- Student shall register for this course immediately after IV semester (II year II semester) End Examinations and pursue it during summer vacation/semester break & during III Year **without affecting the regular course work**.
- Course shall be evaluated for **100 marks** in the VI semester (III year II semester).
- There shall be **NO internal marks (NO CIE)** for this course.
- A student shall submit a detailed report and present it before the committee for evaluation.
- Evaluation shall be done by a committee consisting of an external examiner, Head of the Department, supervisor of industry oriented mini-project or internship, internal supervisor and a senior faculty member of the department.

16.9 Project:

- A student shall initiate major project in VII semester (IV year I semester) and continue it in the VIII semester (IV year II semester).
- Project shall be carried out in two stages i.e. stage-I in the VII semester and stage-II in the VIII semester.
- Project shall be evaluated for a total of **200 marks**. Out of which, **project stage-I** shall be evaluated for **100 marks in VII semester** and **project stage-II** for **100 marks in VIII semester**.
- Evaluation of project stage-I and project stage-II shall consist of both CIE and SEE in each semester.
- **CIE** shall be carried out for **40 marks** both in stage-I and stage-II.
- CIE shall be done by a committee consisting of Head of the Department, project supervisor and senior faculty member of the Department.
- CIE shall be done on the basis of **two seminars** conducted in each semester as per the academic calendar and as per the evaluation format provided by the DoA.
- **SEE** shall be carried out for **60 marks** in both stage-I and stage-II.
- **SEE in stage-I** shall be conducted by a committee consisting of Head of the Department, the project supervisor and one senior faculty of the programme.
- The student is deemed to have failed in Project Stage-I, if he
 - ✓ **does not submit a report, OR**
 - ✓ **does not make a presentation** of the same before the evaluation committee as per schedule, **OR**
 - ✓ **secures less than 40% marks in the sum total of the CIE and SEE taken together.**
- A student who has failed may reappear once for the above evaluation, when it is scheduled again; if he fails in such 'one reappearance' evaluation also, he has to reappear for the same in the next subsequent semester, as and when it is scheduled.
- Evaluation of **Project Stage-II** in **VIII semester** shall consist of both **CIE** and **SEE**.
- **CIE** shall be carried out for **40 marks** whereas **SEE** shall be carried out for **60 marks**.
- CIE shall be done by an internal project committee consisting of Head of the Department, project supervisor and senior faculty member of the Department.
- Out of the **40 marks, internal project committee** shall evaluate the project work for **20 marks** and **Project Supervisor** shall evaluate for **20 marks**.
- CIE shall be done on the basis of **two seminars** conducted in VII and VIII semesters as per the academic calendar and as per the evaluation format provided by the DoA.
- **SEE in stage-II (project viva-voce)** shall be conducted by a committee consisting of an external examiner, Head of the Department, the project supervisor and one senior faculty of the programme.
- The topics for Industry Oriented Mini Project/ Internship/SDC etc. and the main Project shall be different from the topic already taken.
- The student is deemed to have failed in Project Stage-II, if he
 - ✓ **does not submit a report, OR**
 - ✓ **does not make a presentation** of the same before the External Examiner as per schedule, **OR**
 - ✓ **secures less than 40% marks in the sum total of the CIE and SEE taken together.**
- A student who has failed, may reappear once for the above evaluation, when

VNRVJIET B.Tech. CBCS R22 Academic Regulations

it is scheduled again; if student fails in such 'one reappearance' evaluation also, he has to reappear for the same in the next subsequent semester, as and when it is scheduled.

16.10 MOOC:

- Meeting with the global requirements, to inculcate the habit of self-learning and in compliance with the UGC guidelines, MOOC (Massive Open Online Courses) have been introduced in these regulations.
- The proposed MOOCs would be additional choices in all the elective group courses subjected to their offering in the department, availability in the MOOC platform during the respective semesters as well as according to the guidelines specified by the Academic Section for offering of such courses at that time.
- As per the guidelines issued by the Academic Section regarding equivalency conditions of the MOOC, concerned departments shall declare the BoS approved list of the courses that a student can pursue through MOOCs at the beginning of the semester.
- Students interested in pursuing MOOCs shall register the course title at their department office before the start of the semester against the courses that are announced by the department.
- Course content for the selected MOOCs shall be drawn from the respective MOOCs link or shall be supplied by the department.
- Course progress shall be monitored by the course coordinator designated by the HoD.
- Assessment & evaluation of the courses shall be done by the respective department designated MOOC Coordinator.
- Grade obtained through the evaluation of the selected course pursued through MOOC shall be considered for the SGPA/CGPA calculation.
- Equivalent credits* shall be awarded upon successful completion of each MOOC course.
- *Detailed guidelines regarding credit transfer of the courses pursued through MOOC shall be issued time to time by the Academic Section.

16.11 Value Added Courses:

- The value-added courses / certificate courses offered through joint ventures with various industries / organizations provide ample scope for the students as well as faculty to keep pace with the latest technologies pertaining to their chosen field of studies.
- A plenty of value-added programmes approved by the BoS shall be proposed by the departments one week before the commencement of classes.
- The students are given the option to choose the course inclinations as per their choice.
- Students interested in pursuing value added courses shall register for the courses in the department office at the beginning of the semester against the courses that are announced by the department.
- Course progress shall be monitored by the course coordinator designated by the HoD.
- Result of value-added courses shall be declared with **"Satisfactory" or "Not Satisfactory"** performance.
- Grade obtained through value added course shall not be considered for the SGPA/CGPA calculation.

16.12 Mandatory Audit Courses:

- A student shall pursue the entire mandatory and audit courses as specified in the course structure of the B.Tech. programme.
- These courses are among the compulsory courses and **do not carry any credits**.
- Mandatory courses shall not carry any credits but, securing **40 marks out of 100**, shall be **necessary requirement** for the student to qualify for the **award of Degree**.
- **Two sessional examinations** shall be conducted in each semester as per the academic calendar.
- Each sessional examination shall be evaluated for **50 marks**.
- Question paper pattern for **sessional examination (50 Marks)** of Mandatory Audit courses shall be as follows:

Sessional Examination – I (SE-I)	UNIT-I	Q.1	10 M
		Q.2	10 M
	UNIT-II	Q.3	10 M
		Q.4	10 M
	UNIT-III	Q.5	10 M
Sessional Examination – II SE-II)	UNIT-III	Q.1	10 M
		Q.2	10 M
	UNIT-IV	Q.3	10 M
		Q.4	10 M
	UNIT-V	Q.5	10 M

- **Sum total of two sessional examinations** shall be calculated and used as the final sessional marks.
- Result of mandatory audit courses shall be declared with **“Satisfactory”** or **“Not Satisfactory”** performance.
- No marks or letter grade shall be allotted.
- The students shall have four chances in total to clear a specific mandatory and audit course.

VNRVJIET B.Tech. CBCS R22 Academic Regulations

16.13 Virtual Laboratories:

- The Virtual Laboratories are internet enabled experiments for remote operation so as to enhance the curiosity and innovation of students and provide hands-on sessions. The main aim of virtual labs is to enthuse the students about performing 'experiments' and thereby getting them interested in their respective disciplines in a meaningful way. It is expected that the competence level of the engineering students shall enhance through the use of these labs.
- Advanced laboratories / experiments that are not existing in the Institute and are required for supplementing the knowledge gained in specific course(s) may be pursued by the students through the use of Virtual Labs.
- Departments offering B.Tech. programmes shall define the list of virtual laboratories that a student can take up during the duration of course of study.
- The decision to pursue a virtual laboratory course by a student shall be optional and also in addition to the mandatory requirement of pursuing practical courses as specified in the course structure of the programme.
- The virtual laboratories / experiments that a student decides to pursue must be communicated to the Academic Section through HoD.

17.0 RE-REGISTRATION OF COURSES:

- A student can **re-register** for **courses** in a semester, if
 - ✓ **Internal marks secured** by student in **continuous internal evaluation for 40 marks** (sum of average of two sessional examinations, average of two class assessments and average of two experiential learning assessments) are **less than 35% and failed in those courses**.
- Such a student may seek **re-registration for all those courses** registered in that semester in which **he has failed to score minimum 35% marks in CIE (i.e., 14 marks out of 40 marks)**. Student has to **re-appear for CIE and SEE** as and when offered.
- A student must **re-register** for such **failed course(s) within four weeks of commencement of the classwork in the next academic year**.
- In the event of the **student taking this chance**, his **CIE marks** for 40 **obtained in the previous attempt shall stand cancelled**.
- Student has to obtain a **fresh set of marks** in **CIE for 40 marks (sum of average of two sessional examinations, average of two class assessments and two experiential learning assessment)** and **SEE (60 marks)**. Head of the Department shall coordinate for the re-registration activity.

18.0 CONDUCT OF SEMESTER END EXAMINATIONS AND EVALUATION:

- Semester end examination (SEE) shall be conducted by the Controller of Examinations (COE) by inviting Question Papers from the External Examiners.
- Question papers may be moderated for the coverage of syllabus, pattern of questions by an examiner appointed by the CoE. The appointed examiner shall prepare a detailed answer key and scheme of valuation and submit it to the CoE.
- Laboratory SEE shall be conducted involving internal and external examiners as defined in these regulations.

VNRVJIET B.Tech. CBCS R22 Academic Regulations

19.0 REVALUATION:

- Student can register for the revaluation by paying a prescribed fee.
- The Controller of Examinations (CoE) shall arrange for the revaluation and declare the results.
- Revaluation shall not be permitted to the courses other than theory courses.

20.0 PERFORMANCE AND GRADING SYSTEM:

- Performances of students based on the percentage of marks obtained (CIE and SEE, both taken together) in each of the courses (Theory / Practical / Industry-Oriented Mini-Project / Internship / SDC and Project Stages) in the programme are expressed in terms of Letter Grades based on an **absolute grading system**. The 10-point grading system with letter grades and their grade points are shown in the Table 7.

Table 7 Grade and Grade Points

% of Marks Obtained in a Course	Letter Grade	Description of Grade	Grade Points (GP)
>= 90.00	O	Outstanding	10
>= 80.00 and < 90.00	A+	Excellent	9
>= 70.00 and < 80.00	A	Very Good	8
>= 60.00 and < 70.00	B+	Good	7
>= 50.00 and < 60.00	B	Average	6
>= 40.00 and < 50.00	C	Pass	5
< 40.00	F	Fail	0
Not Appeared in the Exam(s)	Ab	Absent	0

- A student who has obtained an 'F' grade in any course shall be deemed to have 'failed' and is **required to reappear** as a '**supplementary student**' in the semester end examination, as and when scheduled.
- In such cases, internal marks in those courses shall remain the same as those obtained earlier.
- If a student has not appeared for an examination in any course, 'Ab' grade shall be allocated in that course, and he is **deemed to have 'Failed'** and is **required to reappear** as a '**supplementary student**' in the semester end examination, as and when offered next.
- In this case also, the internal marks in those courses shall remain the same as those obtained earlier.
- **A letter grade** does not indicate any specific percentage of marks secured by the student, but it **indicates only the range of percentage of marks**.

21.0 COMPUTATION OF SGPA AND CGPA:**➤ CALCULATION OF SEMESTER GRADE POINT AVERAGE (SGPA):**

- The performance of each student at the end of each semester shall be indicated in terms of SGPA. The SGPA shall be calculated as below:

$$\text{SGPA} = \frac{\text{Total earned weighted grade points in a semester}}{\text{Total credits in a semester}}$$

$$\text{SGPA} = \frac{\sum_{i=1}^p C_i * G_i}{\sum_{i=1}^p C_i}$$

where C_i = Number of credits allotted to a particular course 'i'
 G_i = Grade point corresponding to the letter grade awarded to the course 'i'
 $i = 1, 2, \dots, p$ represent the number of courses in a particular semester

NOTE: SGPA is calculated and awarded to those students who pass all the courses in a semester.

➤ CALCULATION OF CUMULATIVE GRADE POINT AVERAGE (CGPA):

The CGPA of a student for the entire programme shall be calculated as given below:

- Assessment of the overall performance of a student shall be obtained by calculating cumulative grade point average (CGPA), which is weighted average of the grade points obtained in all courses during the course of study.

$$\text{CGPA} = \frac{\text{Total earned weighted grade points for the entire programme}}{\text{Total credits for the entire programme}}$$

$$\text{CGPA} = \frac{\sum_{j=1}^m C_j * G_j}{\sum_{j=1}^m C_j}$$

where C_j = number of credits allotted to a particular course 'j'
 G_j = grade point corresponding to the letter grade awarded to that course 'j'
 $j = 1, 2, \dots, m$ represent the number of courses of the entire programme.

- Grade lower than C in any course shall not be considered for CGPA calculation. The CGPA shall be awarded only when the student acquires the required number of credits prescribed for the programme.

➤ ILLUSTRATION OF COMPUTATION OF SGPA AND CGPA:

❖ Illustration of calculation of SGPA:

Course Name	Course Credits (C)	Letter Grade	Grade Point (GP)	Credit Point (CP = C x GP)
Course 1	3	A	8	3 x 8 = 24
Course 2	4	B+	7	4 x 7 = 28
Course 3	3	B	6	3 x 6 = 18
Course 4	3	O	10	3 x 10 = 30
Course 5	3	C	5	3 x 5 = 15
Course 6	4	B	6	4 x 6 = 24
TOTAL CREDITS	20	TOTAL CREDIT POINTS		139

$$\text{Thus, SGPA} = \frac{139}{20} = \mathbf{6.95}$$

❖ Illustration of calculation of CGPA upto II semester:

Semester	Course Name	Course Credits (C)	Letter Grade Secured	Grade Point (GP)	Credit Point (CP = C x GP)
I	Course 1	4	A	8	32
I	Course 2	3	O	10	40
I	Course 3	3	B	6	18
I	Course 4	3	C	5	15
I	Course 5	1	A+	9	9
I	Course 6	1	B+	7	7
I	Course 7	3	O	10	30
I	Course 8	1	C	5	5
I	Course 9	1	A	8	8
II	Course 10	3	A	8	24
II	Course 11	3	A+	9	27
II	Course 12	3	B	6	18
II	Course 13	3	A	8	24
II	Course 14	3	A+	9	27
II	Course 15	1	A	8	8
II	Course 16	1	A	8	8
II	Course 17	2	B	6	12
II	Course 18	1	A+	9	9
TOTAL CREDITS		40	TOTAL CREDIT POINTS		321

$$\text{Thus, CGPA} = \frac{321}{40} = \mathbf{8.02}$$

- The above illustrated process of calculation of CGPA shall be followed for each subsequent semester until VIII semester i.e., (IV year II semester).
- The CGPA obtained at the end of VIII semester i.e., (IV year II semester) shall be the final CGPA secured by the student for the entire B.Tech. programme.

VNRVJIET B.Tech. CBCS R22 Academic Regulations

22.0 DECLARATION OF RESULTS:

- Computation of SGPA and CGPA are done using the procedure mentioned in 20.0.
- For final percentage of marks equivalent to the computed final CGPA, the following formula may be used.

$$\% \text{ of Marks} = (\text{final CGPA} - 0.5) \times 10$$

23.0 PASSING STANDARDS:

- A student shall be declared **successful** or '**passed**' in a **semester**, if he secures a **GP \geq 5 ('C' grade or above)** in **every course in that semester** (i.e., when the student gets an **SGPA \geq 5.0** at the end of that particular semester)
- A student shall be declared **successful** or '**passed**' in the **entire B.Tech. programme**, only when if he secures a **CGPA \geq 5.00 ('C' grade or above)** for the award of the degree as required.
- After the completion of each semester, a grade card or grade sheet shall be issued to all the registered students of that semester.

23.1 Grade Card:

The grade card issued shall contain the following:

- a) Course code, course title, no. of credits for each course offered in that semester
 - b) Letter grade and grade point awarded in each course
 - c) Credits earned in each course
 - c) SGPA/CGPA
 - d) Total number of credits earned by the student up to the end of that semester.
- There is **NO exemption of credits** in any case.

24.0 SCHEME FOR THE AWARD OF DEGREE:

24.1 Award of B.Tech. Degree:

- A student shall be declared qualified for the award of the B.Tech. degree in the concerned branch of Engineering allotted at the time of admission, if he/she fulfils the following academic rules:
 - ✓ Pursued **a programme of study for not less than four academic years and not more than eight academic years** from the date of commencement of the first academic year.
 - ✓ Registered for **160 credits** and secured a minimum of **160 credits with CGPA \geq 5.0**.

NOTE: Students, who fail to fulfill all the academic requirements for the award of the degree within eight academic years from the first academic year of their admission, shall forfeit their seat in B.Tech. programme.

24.2 Awarding of Class based on CGPA:

- A student who qualifies for the award of the degree as listed in item 23.1 above shall be placed in the following classes based on their CGPA at the end of the B.Tech. degree programme.

Table 8 CGPA and Class

CGPA	Class
$\geq 8.0^*$	First Class with Distinction *
≥ 7.0 and < 8.0	First Class
≥ 6.0 and < 7.0	Second Class
≥ 5.0 and < 6.0	Pass Class

*** Conditions for First Class with Distinction:**

- For a student to be awarded '**First Class with Distinction**', he
 - (i) Should have **passed all the courses** in '**First Appearance**' **within the first 4 academic years (or 8 sequential semesters)** from the date of commencement of first year first semester.
 - (ii) **Should not have been detained or prevented from writing the semester end examinations in any semester due to shortage of attendance or any other reason.**
- A student **not fulfilling any of the above conditions** with **final CGPA > 8** shall be **placed in 'First Class'**.
- A student with final CGPA < 5.00 shall not be eligible for the award of the B.Tech. degree.
- Students **fulfilling the conditions** for awarding **First Class with Distinction** alone shall be **eligible for award of 'Gold Medal'**.

24.3 Re-joining B.Tech. Degree after break:

- A student may be permitted to take **one year break** while pursuing four-year B.Tech. regular degree programme i.e., **either after completion of B.Tech. IV semester (B.Tech. II year II semester) or B.Tech. VI semester (B.Tech. III year II semester).**
- Student has to **seek approval from the JNT University well in advance through the Institute Principal by submitting valid reasoning and documentary evidence.**
- **Students permitted** by the University to take one year break can then **re-enter** the four-year B.Tech. regular degree programme in the **next academic year** in the college and **complete the remaining degree** by fulfilling the academic requirements **within the stipulated duration** i.e., double the duration of the programme (within 8 years from the year of admission in first year).

24.4 Award of Two-Year B.Tech. Diploma Certificate:

- A student **willing to exit four-year B.Tech. regular degree program** shall be **awarded two-year B.Tech. Diploma Certificate** in the concerned branch of engineering allotted at the time of admission, if he fulfills the following conditions:
 - ✓ submits a request for award of two-year B.Tech. Diploma certificate
 - ✓ **completes all the minimum academic requirements upto B.Tech. IV semester** (B.Tech. II year II semester) and
 - ✓ **earns all the 80 credits upto B.Tech. IV semester** (B.Tech. II year II semester) **within 4 years from the date of admission in B.Tech. I year.**
- Student **once opted and awarded two-year B.Tech. Diploma Certificate**

VNRVJIET B.Tech. CBCS R22 Academic Regulations

shall be permitted to join the four-year B.Tech. degree programme only in B.Tech. V semester (B.Tech. III year I semester) in the next academic year along with the next batch students. However, if any student wishes to continue the study after opting for exit, he/she should register for B.Tech. V semester (B.Tech. III year I semester) courses well before the commencement of classwork for that semester.

- Students who exit the four-year B.Tech. programme after II year of study and wish to re-join the B.Tech. degree programme must surrender the two-year B.Tech. (UG) Diploma Certificate awarded to him, subject to the eligibility for completion of Course/Degree.

24.5 Award of B.Tech. Honors Degree:

- A student shall be **awarded B.Tech. degree with Honors**, if he **secures additional 20 credits** (over and above 160 credits for the regular B.Tech. degree) in III year and IV year only with **atleast 7.5 CGPA for Honors** and **acquiring 160 credits successfully with atleast 7.5 CGPA for regular B.Tech. and passing all subjects in first attempt.**

Ex: **B.Tech. (Honors) - CSE**

- Weekly instruction hours, internal & external evaluation and award of grades are on par with regular 4 year B.Tech. Program.
- **No transfer of credits** from courses of **Honors programme to regular B.Tech. degree** & vice versa.
- **Eligibility Conditions:**
- Students **pursuing V semester** (III year I semester) who have **passed all courses in first attempt in all the semesters with 7.5 or more CGPA** till the results announced.
- If more than 30% of the students in a branch fulfil the eligibility criteria (as stated above), the number of eligible students shall be limited to 30% based on the CGPA criteria till III semester (II year I semester).
- If a student fails in any registered course of either B.Tech. degree or Honors degree in any semester of four years program, then the student shall not be eligible for obtaining Honors degree and shall be eligible for only B.Tech. degree.
- Prior approval of faculty mentor / advisor and Head of the Department for the enrolment into Honors program, before commencement of V semester (III year I semester) is mandatory.
- **Courses** opted must be from the **prescribed list** as given in the Honors course structure and also **not studied/registered** in the **regular B.Tech. degree.**
- **Student opting for Honors is not eligible to choose a Minor degree** and vice-versa.
- Additional 20 credits secured for the Honors shall not be considered for CGPA calculation of B.Tech. degree.

24.6 Award of B.Tech. Minor Degree:

- A student shall be **awarded B.Tech. Minor degree in a specified programme** if he **secures additional 18 credits** (over and above 160 credits for the regular B.Tech. Degree) during III year and IV year only.
Ex: **B.Tech. in Mechanical Engineering with Minor in Data Science**
- If a student is unable to secure additional 18 credits in a specified duration (twice the duration of the course), then the student shall not be awarded Minor degree. However, if the student earns all the required 160 credits of B.Tech.,

VNRVJIET B.Tech. CBCS R22 Academic Regulations

- then student shall be awarded only B.Tech. degree in the concerned branch.
- Weekly instruction hours, internal & external evaluation and award of grades are on par with regular 4 year B.Tech. Program.
 - **No transfer of credits** from courses of **minor programme to regular B.Tech.** degree & vice versa.
 - Student can **choose only one minor programme** along with his/her basic engineering degree.
 - **Student opting for minor programme shall not be eligible to choose honors degree** and vice-versa.
 - **Eligibility conditions:**
 - Students shall **not have active backlogs till III semester** (II year I semester) while **entering into V semester** (III year I semester).
 - If more than 50% of the students in a branch fulfil the eligibility criteria (as stated above), the number of eligible students shall be limited to 50% based on the CGPA criteria.
 - Prior approval of faculty mentor / advisor and Head of the Department for the enrolment into minor programme before commencement of V semester (III year I semester) is mandatory.
 - **Courses** opted must be from the **prescribed list** as given in the minor degree course structure and also **not studied/registered** in the **regular B.Tech. degree.**
 - All these 18 credits need to be completed in III year and IV year only.
 - Detailed instructions shall be issued by the Academic Section before commencement of V semester.

25.0 CREDIT TRANSFER:

- Credit transfer of a student from other Institution to VNRVJIET is permitted for under-graduate programme as per the GOs from the Government of Telangana.

❖ Credit transfer from another Institution to VNRVJIET:

- A student studying in another Institution can take transfer to VNRVJIET against notification and orders issued by the Government of Telangana, under the following conditions:
 - ✓ When a student seeks transfer, equivalent credits shall be assigned to the student based on the equivalent courses studied earlier by the student.
 - ✓ The student, when transferred from other Institution, must follow the rules and regulations of VNRVJIET.
 - ✓ To graduate from VNRVJIET, a transferred student must study at least half of the minimum duration prescribed for a programme at VNRVJIET.

❖ Credit transfer facility through MOOC:

- Detailed guidelines regarding credit transfer of the courses pursued through MOOC (NPTEL-SWAYAM) shall be issued time to time by the Academic Section.

26.0 WITH-HOLDING OF RESULTS:

- If a student has not paid the pending fee dues to the institute due to any reason whatsoever or if any case of indiscipline / malpractice is pending against him, the results of such student shall be withheld and shall not be promoted to the next semester as a punitive action.

VNRVJIET B.Tech. CBCS R22 Academic Regulations

- The issue of the award of the provisional certificate and the B.Tech. degree is liable to be withheld in such cases.

27.0 DISCIPLINE:

- Every student is required to observe discipline and decorum both inside and outside the institute and not to indulge in any activity which shall tend to bring down the honor of the institute.
- If a student exhibits indiscipline during the academic activities or indulges in malpractice in any of the theory / practical CIE or SEE, he shall be liable for punitive action as prescribed by the Institute from time to time.

28.0 TRANSITORY REGULATIONS:

28.1 Students detained due to shortage of attendance:

- A student who has been detained in any semester of B.Tech. I year of R18/R19/A19 academic regulations for want of attendance, shall be permitted to rejoin the corresponding semester of R22 academic regulations. Such a student is required to complete the B.Tech. regular degree programme within the stipulated period of eight academic years from the date of first admission in I year.
- A student who has been detained in any semester of B.Tech. II, III and IV years of R15 academic regulations for want of attendance, shall be permitted to rejoin the corresponding semester of R22 academic regulations. Such a student is required to complete the B.Tech. regular degree programme within the stipulated period of eight academic years from the date of first admission in I year.
- R22 academic regulations shall be applicable to the student from the semester of readmission onwards.
- He shall take up equivalent courses, as substitute courses in place of repeated courses as decided by the Chairman of the BoS of the respective departments.

28.2 Students detained due to shortage of credits:

- A student of R15/R18/R19/A19 academic regulations who has been detained due to shortage of credits, shall be promoted to the next semester of R22 academic regulations only after acquiring the required credits as per the corresponding academic regulations of his first admission.
- He is required to complete the study of B.Tech. programme within the stipulated period of eight academic years from the year of his first admission in B.Tech. I year.
- R22 academic regulations shall be applicable to the student from the semester of readmission onwards.

28.3 For readmitted students in R22 Academic Regulations:

- A student who has failed in any course(s) under any regulation has to pass those course(s) in the same regulations.
- Minimum academic requirement of R22 academic regulation shall be applicable to all the readmitted students.
- Credit structure as defined in the course structure of B.Tech. programmes under R22 academic regulation shall be followed from the semester of readmission.
- The **maximum credits that a readmitted student acquires for the award**

VNRVJIET B.Tech. CBCS R22 Academic Regulations

of degree, shall be the **sum of the total number of credits secured in all the regulations of his study including R22 regulations. There is NO EXEMPTION OF CREDITS in any case.**

- If a student readmitted to R22 academic regulations, has any course with 80% of syllabus common with his previous regulations, then that particular course in R22 academic regulations shall be substituted by another course as suggested by the Board of Studies (BoS) of the concerned department.
- If a student readmitted to R22 academic regulations, has not studied any courses/topics in his/her earlier regulations of study which is prerequisite for further courses in R22 academic regulations, the department HoD concerned shall conduct remedial classes to cover those courses/topics for the benefit of the students.

28.4 Student Transfer:

- There shall be **no branch transfers** after the completion of admission process.
- Students seeking transfer to VNRVJIET from other colleges have to pass the failed courses which are equivalent to the courses of VNRVJIET and also pass courses of VNRVJIET which the students have not studied at the earlier college.
- Further, if some of the courses which the student has passed at the earlier college and are repeated in subsequent semesters of VNRVJIET curriculum, then the students have to study those courses again in VNRVJIET in spite of the fact that those courses are repeated.
- Student transferred from other college who are on rolls, shall be provided one chance to write the internal examinations in the equivalent course(s), as per the clearance (equivalence) letter issued by the University.
- **The decision of the Institute Academic Committee shall be final in respect of equivalent courses suggested by the Board of Studies for those students who are transferred from other colleges.**
- **The transfer of students from other college to VNRVJIET is to be approved by the Academic Council and Governing Council of the Institute.**

29.0 MINIMUM INSTRUCTION PERIOD:

- The minimum instruction period for each semester shall be **16 weeks** (excluding examinations).

30.0 GENERAL:

- The academic regulations should be read as a whole for the purpose of any interpretation.
- In the case of any discrepancy/ambiguity/doubt arising in the above rules and regulations, the decision of the Principal shall be final.
- The Chairman, Academic Council may change or amend any or all of the academic regulations or syllabi at any time and the changes or amendments made shall be applicable to all the students concerned with effect from the dates as notified by the Institute.
- Where the words "he", "him", "his", occur in the regulations, they include "she", "her", "hers".

**VALLURUPALLI NAGESWARA RAO VIGNANA JYOTHI
INSTITUTE OF ENGINEERING & TECHNOLOGY
HYDERABAD
(An Autonomous Institute)**

**ACADEMIC REGULATIONS FOR
B.TECH. - LATERAL ENTRY SCHEME (LES)**

(Applicable for students admitted from the academic year **2023-2024**)

31.0 MINIMUM ACADEMIC REQUIREMENTS:

- Attendance requirements and detention policy of four-year B.Tech. regular degree programmes as specified in 13.0 of these regulations is adopted for students admitted to B.Tech. degree programme under lateral entry scheme (LES).
- Academic performance requirements as specified in 14.0 of these regulations are adopted for students admitted to B.Tech. degree programme under lateral entry scheme (LES).
- **Student who fails to fulfill all the academic requirements for the award of the degree within six academic years** from the year of his/her admission in B.Tech. II year, shall **forfeit his/her seat in B.Tech. programme and his/her admission stands cancelled.**

32.0 PROMOTION POLICY:

Apart from the minimum required attendance conditions as specified in 13.0 of these regulations, the credit conditions to be fulfilled by a Lateral Entry student for getting promoted from the current semester to the next semester are given below:

Table 9 Promotion Rules for B.Tech. LES

S. No.	Promotion	Conditions to be fulfilled
1	III semester (II year I semester) to IV semester (II year I semester)	i. Regular course of study of III semester (II year I semester).
2	IV semester (II year II semester) to V semester (III year I semester)	i. Regular course of study of IV semester (II year II semester). ii. Must have secured atleast 60% of the total credits upto IV semester (II year II semester) i.e., 24 credits out of 40 credits of the respective programme from all the relevant regular and supplementary examinations, whether the student takes those examinations or not.

VNRVJIET B.Tech. CBCS R22 Academic Regulations

3	V semester (III year I semester) to VI semester (III year II semester)	i. Regular course of study of V semester (III year I semester).
4	VI semester (III year II semester) to VII semester (IV year I semester)	i. Regular course of study of VI semester (III year II semester). ii. Must have secured atleast 60% of the total credits upto VI semester (III year II semester) i.e., 48 credits out of 80 credits of the respective programme from all the relevant regular and supplementary examinations, whether the student takes those examinations or not.
5	VII semester (IV year I semester) to VIII semester (IV year II semester)	i. Regular course of study of VII semester (IV year I semester)

33.0 SCHEME FOR THE AWARD OF DEGREE:

33.1 Award of B.Tech. Degree:

- A lateral entry student shall be declared qualified for the award of the B.Tech. degree in the branch of Engineering allotted at the time of admission if he/she fulfils the following academic regulations:
 - ✓ Pursued **a programme of study for not less than three academic years and not more than six academic years** from the year of admission in B.Tech. II year.
 - ✓ Registered for **120 credits** and secured a minimum of **120 credits with CGPA \geq 5.0** from II year to IV year.
- **Lateral Entry Scheme students are not eligible for two year B.Tech. Diploma Certificate.**

MALPRACTICE RULES**DISCIPLINARY ACTION FOR IMPROPER CONDUCT IN EXAMINATIONS**

S.No.	Nature of Malpractices / Improper conduct	Punishment
1. (a)	If a student: Possesses or keeps accessible in examination hall, any paper, note book, programmable calculators, cell phones, pager, palm computers or any other form of material concerned with or related to the course of the examination (theory or practical) in which he is appearing but has not made use of (material shall include any marks on the body of the student which can be used as an aid in the course of the examination)	Expulsion from the examination hall and cancellation of the performance in that course only.
(b)	Gives assistance or guidance or receives it from any other student orally or by any other body language methods or communicates through cell phones with any student or persons in or outside the exam hall in respect of any matter.	Expulsion from the examination hall and cancellation of the performance in that course only of all the students involved. In case of an outsider, he shall be handed over to the police and a case is registered against him.
2.	Has copied in the examination hall from any paper, book, programmable calculators, palm computers or any other form of material relevant to the course of the examination (theory or practical) in which the student is appearing.	Expulsion from the examination hall and cancellation of the performance in that course and all other courses the student has already appeared including practical examinations and project work and shall not be permitted to appear for the remaining examinations of the courses of that Semester/year. The Hall Ticket of the student is to be cancelled and sent to the Controller of Examinations.
3.	Impersonates any other student in connection with the examination.	The student who has impersonated shall be expelled from examination hall. The student is also debarred and forfeits the seat. The performance of the original student, who has been impersonated, shall be cancelled in all the courses of the examination (including practicals and project work) already appeared and shall not be allowed to appear

VNRVJIET B.Tech. CBCS R22 Academic Regulations

		for examinations of the remaining courses of that semester/year. The student is also debarred for two consecutive semesters from class work and all semester end examinations. The continuation of the course by the student is course to the academic regulations in connection with forfeiture of seat. If the imposter is an outsider, he shall be handed over to the police and a case is registered against him.
4.	Smuggles in the Answer book or additional sheet or takes out or arranges to send out the question paper during the examination or answer book or additional sheet, during or after the examination.	Expulsion from the examination hall and cancellation of performance in that course and all the other courses the student has already appeared including practical examinations and project work and shall not be permitted for the remaining examinations of the courses of that semester/year. The student is also debarred for two consecutive semesters from class work and all semester end examinations. The continuation of the course by the student is course to the academic regulations in connection with forfeiture of seat.
5.	Uses objectionable, abusive or offensive language in the answer paper or in letters to the examiners or writes to the examiner requesting him to award pass marks.	Cancellation of the performance in that course.
6.	Refuses to obey the orders of the Controller of Examinations /Additional Controller of Examinations/any officer on duty or misbehaves or creates disturbance of any kind in and around the examination hall or organizes a walk out or instigates others to walk out, or threatens the COE or any person on duty in or outside the examination hall of any injury to his person or to any of his relations whether by words, either spoken or written or by signs or by visible representation, assaults the COE or any person on duty in or outside the examination hall or any of his relations, or	In case of students of the college, they shall be expelled from examination halls and cancellation of their performance in that course and all other courses the student(s) has (have) already appeared and shall not be permitted to appear for the remaining examinations of the courses of that semester/year. The students also are debarred and forfeit their seats. In case of outsiders, they shall be handed over to the police and a police case is registered against them.

VNRVJIET B.Tech. CBCS R22 Academic Regulations

	indulges in any other act of misconduct or mischief which result in damage to or destruction of property in the examination hall or any part of the Institute premises or engages in any other act which in the opinion of the officer on duty amounts to use of unfair means or misconduct or has the tendency to disrupt the orderly conduct of the examination.	
7.	Leaves the exam hall taking away answer script or intentionally tears of the script or any part thereof inside or outside the examination hall.	Expulsion from the examination hall and cancellation of performance in that course and all the other courses the student has already appeared including practical examinations and project work and shall not be permitted for the remaining examinations of the courses of that semester/year. The student is also debarred for two consecutive semesters from class work and all semester end examinations. The continuation of the course by the student is course to the academic regulations in connection with forfeiture of seat.
8.	Possess any lethal weapon or firearm in the examination hall.	Expulsion from the examination hall and cancellation of the performance in that course and all other courses the student has already appeared including practical examinations and project work and shall not be permitted for the remaining examinations of the courses of that semester/year. The student is also debarred and forfeits the seat.
9.
