

# SWAYAM-NPTEL Local Chapter @ VNR VJIET

## 1. NPTEL:

NPTEL is an MHRD sponsored body to make available the Engineering knowledge on IT platform to all the eager students, faculty, researchers, scientists, industrialists etc global wide. With that initiative all the IITs (7 nos) and IISc have jointly started recording the spoken materials from the eminent faculty on the recent updates in the respective domains/specializations. In the beginning only the major courses of engineering were recorded/pdf materials were prepared.

## 2. NPTEL Online Certification Courses (NOCs):

Later on to further improve the understanding of the participants on the subjects, to make more live interactions with the instructors of the subjects for clarification of the doubts and queries on the subject by the listeners/viewers of the courses, NPTEL started offering the online courses since 2014 with meagre exam fee of Rs. 1000 per course but registration is free for any number of courses to receive the materials freely. Every year the number of participants are increasing in these NPTEL Online Courses Certification (NOCs). For further giving more benefits/advantages to the serious participants, NPTEL started giving the Local Chapter status to the engineering colleges, universities, autonomous institutions etc in India so that all the serious participants from the institutes can avail the 50% fee waiver.

## 3. 'NPTEL Local Chapter' @ 'VNR VJIET':

VNR VJIET has opened 'NPTEL Local Chapter' in the campus with the consent of 'NPTEL Office, IIT Madras' on 19<sup>th</sup> Aug'2016. Dr. K. Ravikumar, Associate Professor, Department of Civil Engineering, is given the responsibility as a 'Single Point of Contact (SPOC)' [as a Institute Coordinator] between VNR VJIET and NPTEL, IIT Madras. As a institute SPOC, he has to pass on the initiatives taking by NPTEL to the faculty and students of VNR VJIET as and when announcements made by NPTEL Office. And also, he acts like nodal officer to put forth the concerns of all the participants to NPTEL Office.

For smooth and easy functioning of the entire process of participant's registration and taking up the NOCs seriously till their final examinations, our respected Principal sir has allotted the department wise coordinators to coordinate with SPOC. So, there are **totally 9 department coordinators coordinating with SPOC** to continue with the activities institute such as making announcements in class rooms for giving awareness to students, discussing with their respective HODs to allot the mentor faculty to the respective department courses to provide mentoring to the needy students/participants during the course taking up till final exams. The contacting details (names and the e-mails ids) of the 9 department coordinators are displayed in the SAMSUNG screens in the institute and also announced in class rooms for clarification purpose. In addition to above, to encourage the participants, VNR VJIET is **providing Free Bus Transport facility** to all participants (both faculty and students) to reach the exam centres (@ Moula Ali, Old Alwal and Nacharam) from JNTU, Hyderabad and return back.

Following is the list of all the coordinating faculty from each Department along with SPOC:

## Semester-II: January 2017 to July 2017

VNR VJIET could achieve the “AA” ranking based on the performance in NOCs by the students and faculty of the institute during the period from January 2017 to July 2017.

Mr. U.S. Hari Krishna, Assistant Prof, Dept of Civil Engg, receiving the ‘AA’ rating institute certificate for VNR VJIET from National Coordinator, NPTEL on 15th July 2017 at NPTEL Office, IIT Madras, Chennai.

NPTEL adopts certain formula to calculate the points to each institute based on the performance of the participants of the institute. Formula includes the total number of participants for the main exams, no of participants passed & successfully completed the course (score $\geq$ 40%), no of participants could get score  $>60\%$  (Elite grade), no of participants could get  $>90\%$  (Gold grade – gold medal symbol on certificate) and no of participants could make topper of the courses.
