

VALLURUPALLI NAGESWARA RAO VIGNANA JYOTHI INSTITUTE OF ENGINEERING AND TECHNOLOGY

World Environment Day

World Environment Day is a UN-led global event which takes place on 5th June every year and is observed by thousands of communities worldwide. Since its commencement in 1972, it has grown to become a global platform for public outreach that is widely celebrated across the globe.

The Department of Civil Engineering organizes events for students and faculty. The main aim of organizing such activities is to motivate, encourage and engage the youth faculty members towards sustainable development. Small activity today can give a big outcome for tomorrow.

Details of activities conducted are:

- Webinars on climate change
- Horizon
- Taking oath on Environmental Day for resilient
