

Nrithya Tarang

Nrithya Tarang, the classical dance club of VNRVJIET was conceived with an aim to introduce Indian classical dance forms to the present-day youth and make them aware of its beauty and intricacy. Established in the year 2017, Nrithya Tarang has actively performed in college events, whenever it has got the opportunity to do so.

The club has helped fuel the passion of all the Indian classical dancers of VNRVJIET and keep their interest and enthusiasm towards Indian classical dance alive.
