Computer Science Engineering Association (CSEA)

The Computer Science Engineering Association(CSEA) established in the year 1997 allows the involvement of the students in technical and non-technical events organized by the Department of Computer Science and Engineering. It started with 195 members including both students and faculty in 1997 and now currently we have a total of 1320 students from CSE & CSBS. It is a union of the Undergraduate students (B.Tech - Computer Science and Engineering(CSE) and B.Tech – Computer Science and Business Systems(CSBS)), Post Graduate students (M.Tech – Computer Science Engineering (CSE), Software Engineering (SE)), and faculty members.

Under CSEA various activities are conducted by the students and for the students. Technical events in collaboration with Tata Strive and Google are conducted for skill development, scholarship programs and Professional Certification. Non-Technical Events includes Fresher' s day, Farewell day, women' s day etc. Winner participants are recognized by presenting awards and certificates at the Fresher' s or Farewell day such as Best Outgoing Student Award and Best Project Awards. Fresher' s as we like to call it Login, is conducted by the Junior Year students for the sophomores as an official induction program. It is an informative-cum fun event which is one of the most awaited events every year. The farewell, better known as Reboot is the time of the year when the junior students bid farewell to the seniors. The event involves an official Prize distribution ceremony and several informal events.

The Alumni continue to contribute to this forum by guiding their juniors on academics, placement and career opportunities. This association provides the space to develop their leadership skills, expose and share their skills. Overall, the forum provides a tight bond amongst themselves and with the department.

Major Programmes Organized by the Association in the recent past:

- The department of Computer Science and Engineering in collaboration with Tata Strive and Google organized Tata Strive Google Career Scholarship Professional Certification course from March 2022 to till date.
- Conducted International Women' s Day celebrations on 08-03-2023 for all Lady Faculties.
- Conducted Fresher' s Day on 10-02-2023 forFirst year students of CSE & CSBS.
- Organized Farewell day for outgoing Final year students of CSBS on 05.05.2023 and CSE on 06.05.2023.

Coordinator   HOD-CSE
Mrs. P Jyothi

2022-2026 Batch Fresher's Day on 10.02.2023

2019-23 Batch Farewell Day on 05.05.2023 for CSBS and 06.05.2023 for CSE
