Department of Computer Science & Engineering

Computer Society of India(CSI) Student Branch Chapter(SBC) VNRVJIET established under the Department of Computer Science and Engineering on 6th Oct 2004, The purposes of the society are scientific and educational directed towards the advancement of the theory and practice of Computer Science, Computer Engineering and Technology, Systems Science and Engineering, Information Processing and related Arts and Sciences. It is a professional body where professionals meet to exchange views and information, to learn and share ideas. More than 80% ie in the current academic year we had 938 of the students and 98% faculty of CSE department are members of CSI.

The activities of the Chapters includes Hackathons, Coding Contest, Seminars, Workshops, Technical Symposium, Certification Courses & Guest Lectures to keep faculty and students updated with latest developments in various Mezzanine Technologies.

Every year we conduct a **National Level Technical Symposium Convergence**, Coding Contest **Turing CUP**, two Hackathons **with the name VJ Hackathon and VNR Desingathon** , . The students under the society are moulded into competent software professionals, to face the challenges of the IT sector. The advisory board members of CSI Student Branch are **Dr C Kiranmai, Dr S Nagini, Dr B V Kiranmayee, Dr PV Siva Kumar** and with coordinators **Mr N Sandeep Chaitanya & Mr Ch Sri Sumanth**.
