Recurring and intermittent requirements of Departments and Sections are identified by the Heads of the respective Departments and Sections, which are presented to the Finance Committee for evaluation of financial aspects and to the concerned Deans and the Principal for a consolidated need assessment. The identified requirements are presented to the Governing Council by the Principal and approvals necessitate interactions with the concerned stakeholders and faculty members.

The Principal subsequently drives the resulting policy, strategy, resource allocation, and operations through the Governing Council and the Vignana Jyothi Society. - **E- Library facilities**

Knimbus e-library at VNR VJIET.

The central library has established a federated search knimbus online library in order to offer remote library services to its clientele. The elibrary contains the e-books, lecture notes, E-Journals and Old question papers of B.Tech and M.Tech courses. This library can be availed at the URL https://vnrvjiet.new.knimbus.com/user#/home. The users can register by using VNR VJIET mail ID.

Features of e-library : The federated search engine searches all the purchased databases like **IEEE, ASCE, ASME, ELSEVIER, SPRINGERLINK**, and shows the results at one-go. The search results can be filtered as source wise, year wise, and author wise. Now with the help

of the Knimbus (Federated search engine) our staff and students can access library content outside the campus through their smart phones while sitting at home. The elibrary app **m-library** is available at android play store for free downloading.

- Special purpose facilities available –

- Facilities for conduct of classes/courses in online mode (Theory & Practical)

Institute is using Microsoft Teams and Google Meet to conduct online classes, project reviews, comprehensive viva, etc.

- Innovation Cell

The Institute Innovation Cell and Council facilitate the conduction and coordination of innovation activities at the Institute. These activities include support, mentoring, guidance, and facilitation to students approaching the Institute with their innovative ideas, competitions and hackathons conducted on campus and/or participated by the Institute's students, as well as Institute-level grand events such as the Intramural Innovation Competition, Convergence (Annual Technical Symposium), and the Ecficio (Annual Entrepreneurship Fest). The Institute also has active external collaborations with other Innovation centres such as the J-Hub (JNTUH's Innvoation Hub), T-Hub (state-level incubation hub that is purported to be the nation's largest), TiE Hyderabad (the Hyderabad chapter of the world's largest entrepreneur network 'The IndUS Entrepreneurs'), and is represented at the Telangana Incubators and Enablers Network through the in-house Incubator, VJ Foundation for Entrepreneurial Excellence ("VJ Hub") by the Convener of the IIC. These proactive collaboration efforts by the Institute help the IIC bring in the true spirit of nationwide IIC network into practicable action at the Institute and extend the benefits of the same to the stakeholders.

- Social Media Cell

In today's society, social media is an integral part of the student's life. Everyday bulk of news is being disseminated over the internet. The students are the foregrounds to sculpt the future of the social networking sites, as they form the majority of users. According to the latest reports, everyday students are spending approximately 10 hours on the internet. Overall, social media is a powerful yet influential tool. Social Media Cell (SMC) at VNRVJIET monitors the use of social platforms at the college campus.
