Google Developer Student Club (GDSC)

VNR VJIET

GDSC x VNR VJIET is a vibrant community of students who share a common passion for technology and innovation. We believe in the power of collaboration, curiosity, and creativity to shape a better future. Our mission is simple yet impactful: to empower students to become leaders and problem-solvers in their communities.

At GDSC, we believe that learning is a lifelong endeavor, and we're here to support your growth every step of the way. Through our diverse range of technical topics, hands-on workshops, engaging events, enlightening talks, and exciting project-building activities, you'll have the opportunity to expand your skill set and gain valuable insights. Our offerings are accessible both online and in-person, ensuring that you can participate regardless of your location or schedule.

Connect: We provide a welcoming platform for students from all backgrounds and academic disciplines to come together. Whether you're a seasoned tech enthusiast or just starting your journey, GDSC welcomes everyone. Join us to meet like-minded individuals who share your enthusiasm for developer technologies.

Learn: Knowledge is the key to progress, and at GDSC, we are committed to helping you unlock your potential. We offer a diverse range of technical topics, and you can expand your skill set through hands-on workshops, informative events, inspiring talks, and exciting project-building activities. Our offerings are available both online and in-person, ensuring accessibility and convenience for all.

Grow: Learning is only the beginning; real growth happens when you apply your newfound skills to create solutions for real-world problems. GDSC provides you with the opportunity to advance your skills, kickstart your career, and expand your professional network. But we don't stop there; we believe in giving back to our community by helping others learn and grow, creating a positive cycle of knowledge sharing.

TEAM

Events Organized by GDSC

"The Web3 Guide" webinar by Social3

The event held on November 22, 2022, titled "Social3: Navigating the Web3 Landscape," was a webinar led by Sneha Mishra, the founder of Social3. This webinar aimed to provide attendees with comprehensive insights into the emerging Web3 space and how it is revolutionizing the way professionals connect and build their careers.

The webinar likely began with an introduction to the concept of Web3, explaining its fundamental principles and how it differs from the previous Web2 paradigm. Participants would have gained an understanding of why Web3 is significant and how it is poised to disrupt traditional online platforms and industries

Webathon

WEBATHON (2021-25 Batch): Webathon was conducted for all the second-year students of VNRVJIET. This is a hackathon that was organized in two rounds. The first round was conducted on March 24th, 2023, in which the teams were given a certain amount of time to pitch their solution to the respective problem statement to the jury. The shortlisted teams from round one are eligible for round two, which was conducted on the 27th and 28th of March. The second round is the hackathon, in which all the teams participated and competed among nine problem statements. The top 3 positions were awarded with cash prizes worth 10,000 INR. Over 220 teams and 1000+ students registered for round 1, out of which 106 teams, i.e. 485 students, were shortlisted for round 2 and competed amongst each other.

SNAPSHOTS

" As the lead of the Google Developer Chapter, I want to emphasize the outstanding contributions of our community. Our chapter consistently exemplifies a commitment to innovation, knowledge sharing, and fostering a vibrant ecosystem of developers. The dedication, passion, and expertise of our members have not only enriched the skills of individuals but have also contributed significantly to the advancement of the tech industry. It's an honor to be part of a community that continues to drive progress, inspire creativity, and shape the future of technology.."

-Dushyanth (Lead)

TESTIMONIALS

"As the GDSC founder,I'm delighted to share my heartfelt testimonial for this remarkable community.

GDSC is more than a club; it's a family of passionate tech enthusiasts. Together with my dedicated team, we've organized workshops, hackathons, and outreach programs, fostering a culture of learning and giving back. Partnered with Google, we've had invaluable support, propelling our growth.

During my time as GDSC Lead, I've seen members develop into self-assured tech leaders

GDSC is a place where dreams turn into reality, ideas become innovations, and lifelong connections are formed."

 -Rishab (Co-Lead)

"It has been an incredible journey leading GDSC, and I am honored to have had the privilege of serving as the management lead for this remarkable community of tech enthusiasts. GDSC is not just a club; it's a vibrant ecosystem of growth, innovation, and collaboration, and I am deeply grateful to have been a part of it."

-Shivesh (Management Lead)

" I am thrilled to serve as the Corporate Outreach Coordinator for GDSC VNRVJIET. Managing events and nurturing technical careers within the organization has been an incredible journey. What truly makes this experience remarkable is the opportunity to interact with the bright, motivated juniors that we recruit into our team.

Being a part of GDSC-VNRVJIET has allowed me to witness the potential of these young minds firsthand. It's truly heartening to see their enthusiasm and dedication towards technology and their passion for making a difference in the world through their skills. The energy and innovative spirit they bring to the table is nothing short of inspiring.

I am grateful for the opportunity to contribute to the growth of these talented individuals, and I look forward to continuing this incredible journey with GDSC-VNRVJIET. Together, we are shaping the future of technology and nurturing the leaders of tomorrow. It's not just a role; it's a privilege to be a part of this vibrant community."

-Akhil (Corporate Outreach Lead)

Google Developer Student Clubs

"GDSC is a great entity to be in where learning development is meant to be fun. GDSC is a place where creativity about software development converges. This has helped me learn a lot while collaboratively organizing events such as hackathons and workshops. Although this is the first year for GDSC VNRVJIET, we had always had unique approaches and colaborations to come up with. I am grateful for the opportunity to be part of GDSC"

-Prithvi (App Development Lead)

"As the Web Development Lead for GDSC VNRVJIET, I've had the incredible opportunity to lead and contribute to our club's mission of fostering a passion for web development among students. I'm passionate about this role and want to share my experiences and commitment.

I genuinely enjoy helping our junior members learn web development. It's about inspiring others to explore the possibilities of web development. My aim is to make complex concepts accessible and engaging, so every member feels empowered

I'm committed to building strong relationships with our upcoming coordinators as transitioning leadership is vital for our club's success. I'm excited to mentor and support the next generation of leaders, sharing insights and experiences for a smooth handover.

For GDSC VNRVJIET, I envision a future filled with growth, innovation, and close-knit member relationships. I aim to push our club's boundaries, empowering more students to become web developers and creators.

-Manideep (Web Development Lead)

Google Developer Student Clubs

"I am honored to share my testimony as a proud member of the Google Developer Student Club (GDSC) at VNRVJIET Institute. I am Vinay Vardhan, and being a part of this club has been an incredibly enriching experience that has positively impacted my technical skills, interactions with faculty, juniors, and classmates, and has allowed me to grow both creatively and professionally. GDSC has not only taught me the importance of staying updated with the latest technologies but has also provided a supportive environment for learning and experimentation.

As the Head of the Creative and Social Media Department within GDSC, I have had the privilege of improving my creative skills and expanding my expertise in designing and video editing. This role has challenged me to think outside the box, come up with innovative ideas, and translate them into visually appealing content. It has been immensely gratifying to see the impact of our creative endeavors in promoting GDSC's activities and engaging with a wider audience through social media platforms. This experience has undoubtedly contributed to my personal and professional growth."

-Vinay (Creative Lead)
