IQAC

*Annual Report of
INTERNAL QUALITY ASSURANCE CELL
for the academic Year: 2013-14*

The following is the summary of the activities of the IQAC of VNRVJIET

1. The annual Quality Assurance Report for the Academic Year 2013-14 has been submitted on 18th September 2014.
2. The induction program for staff was initiated to orient them to the Institutional Practices such as Teaching methodologies, Research culture etc.
3. A Laboratory teaching procedure called 'Lab Protocol' was initiated to show the students the connection between theory and its application in the Labs.
4. A workshop on IPR was conducted to bring about an awareness among faculty on patenting their innovations.
5. A centre for excellence for Renewable Energy Systems was established in EEE department. In addition to this, a centre for Disaster Mitigation was also established in the Department of Civil Engineering.
6. A campus automation program was initiated and automation in the areas of Academics, Examinations, Accounts, Library and Administration was effected.
7. The IQAC came up with new initiative and prepared Quality indices for Attendance, Results and Placements.
8. The IQAC also devised Quality indices for Departments and the Institute.
9. The IQAC prepared a Quality functional Chart based on NAAC Quality Criteria of the HEI's.
10. The Institute initiated a novel teaching process called **WIT & WIL** to give the students a clear picture of the importance, objectives and real life applications of the topics being taught.

Recommendations made by IQAC

1. It is recommended that the number of Ph.D registrations need to be increased.
2. It is recommended that plan of action to improve the number of publications, patents and minor projects to be undertaken by the faculty and increase the participation of the faculty in international conferences.
3. It is also recommended that intensive training programs needs to be conducted for inspiring student placements.

Coordinator – IQAC
