IQAC

*Annual Report of
INTERNAL QUALITY ASSURANCE CELL
for the academic Year: 2015-16*

The following is the summary of the activities of the IQAC of VNRVJIET

1. The Annual Quality Assurance Report for the Academic Year 2015-16 was submitted on 17th September 2016.
2. The IQAC organized a seminar on “Internal Quality Assurance in Higher Education”. The speaker was Prof. V.S. Prasad, Former Director, NAAC.
3. The IQAC designed a Quality functional chart based on NAAC quality criteria and implemented it in the Institute.
4. In an attempt to create awareness among the faculty on Institutional Quality aspects, the IQAC conducted seminars on Institutional Quality.
5. Based on the quality indices designed, the IQAC conducted an analysis of Attendance, Results, Faculty publications, Projects, Placements and Intake gender ratio.
6. The IQAC also conducted periodical internal and external meetings to review the institutional progress.
7. Further, the IQAC carried out a Gap analysis based on the NAAC Accreditation Report.
8. A centre for excellence on “Nano Science Technology” was established.
9. In order to promote research among the faculty, a sensitization program on “Literature Survey” was conducted and also a lecture on “practical demonstration on creating ORCID profile” was given for the benefit of the faculty.
10. In order to improve pedagogy and introduce innovative teaching methodologies, the institute organized the following:
 - a) A Two day Orientation cum workshop on “New and Emergent Pedagogies for 21st century engineers.
 - b) A Lecture on spoken tutorials through ICT.

Contd...

- c) A Four Week Workshop on “use of ICT in Education for Online and Blended learning – FDP ICT001X” conducted by IIT BombayX.
- d) A Presentation on “VignanaJyothi Philosophy” by Dr. DN Rao Chairman, VJ.
11. Apart from these, the Institute also initiated the NPTEL Local Chapter.
 12. Open house – an initiative to encourage students to demonstrate their projects was begun.
 13. An online workshop in collaboration with IIT Bombay on using Moodle for technical communication for scientists and engineers was conducted for the benefiting of the faculty.
 14. New assessment methodologies such as group presentation, home assignments, Quiz and online tests were introduced.
 15. A Skype training session on “Learning by Doing” was conducted for the benefit of the faculty.
 16. An incubation centre called “VJ – HUB” was established for promoting entrepreneurship in the student community.

Recommendations made by IQAC

1. It is recommended that number of research projects need to be increased.
2. It is also suggested that consultancy work has to be improved.

Coordinator – IQAC
Dr. Poonam Upadhyay
