

Student Feedback

The institute has proper structured mechanism to obtain the feedback from the students through well designed formats. The feedback received from the students are carefully analysed and appropriate actions are taken by respective HoDs/ Principal for their betterment.

Feedback will be given by students through online after the first month (Mid term) and in the last month (End term) of each semester as per academic calendar. Students give their options for all the theory courses and lab courses handled by the faculty (E-Excellent, G-Good, S- Satisfactory, U-Unsatisfactory) for the questionnaire provided. The weightages for the various options are 5 for excellent, 4 for Good, 3 for Satisfactory and 1 for Unsatisfactory. The responses given by the students are consolidated and evaluated on a 5-point scale. The feedback thus obtained is sent to the Faculty, HoD and the principal for further action. Especially, the faculty who got less than 3 on 5 point scale are addressed specifically by the respective HoD. The feedback obtained from students is utilized in the process of enhancing the Teaching learning Process.

The questionnaire for collecting the feedback from students is mentioned below.

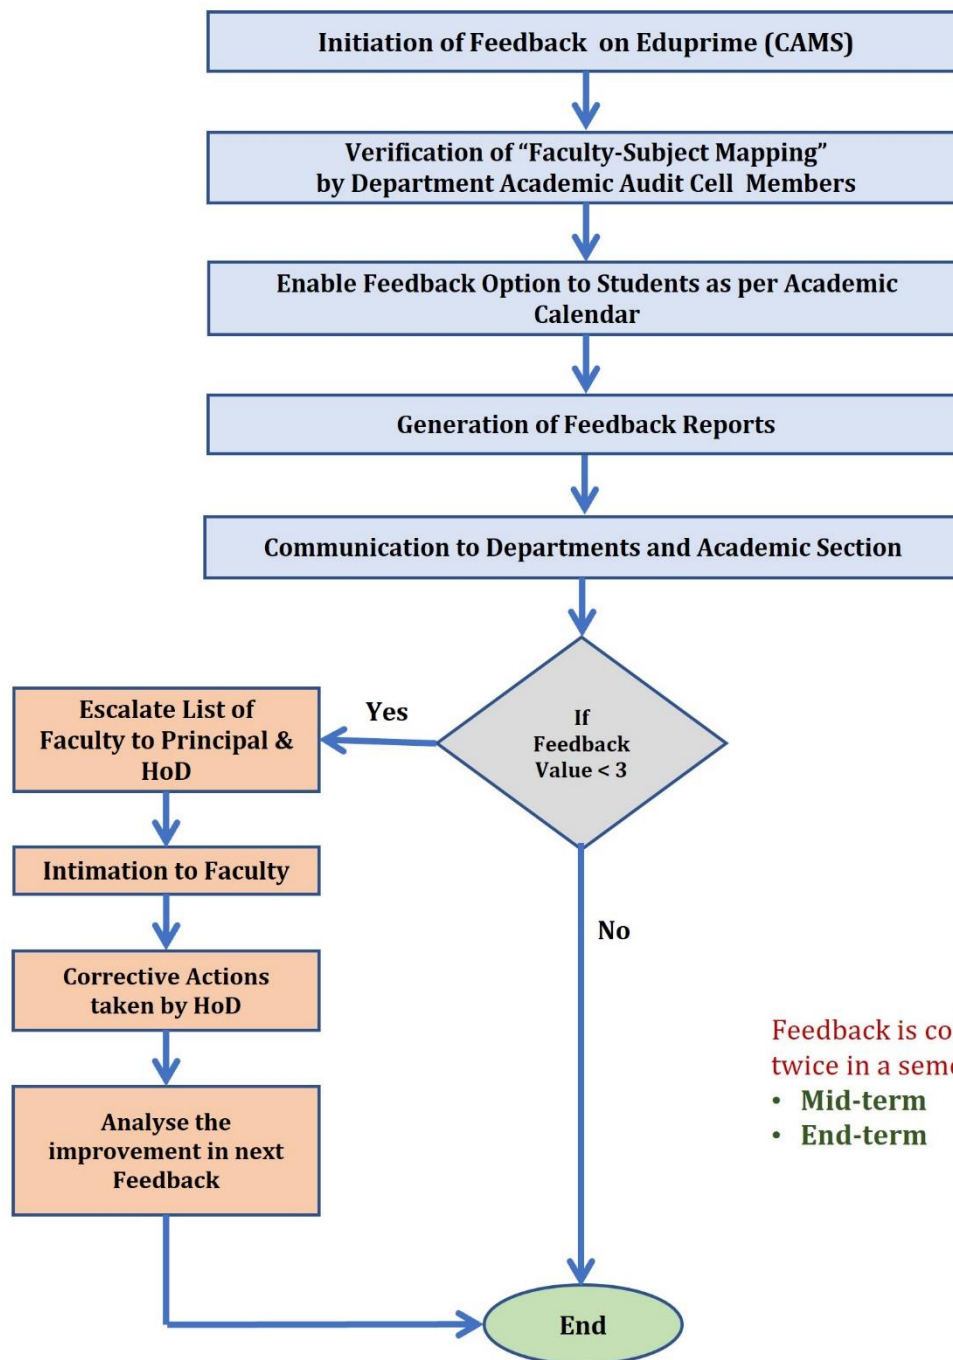

S.No	Feedback Question	Applicable to course
1.	Subject knowledge and Creates interest in the subject	Theory and Practical
2.	Planning and Delivery of subject	Theory only
3.	Planning and Demonstration/ Practical Orientation of Lab experiments	Practical only
4.	Audibility and Clarity	Theory and Practical
5.	Black board management	Theory only
6.	Effective usage of equipment, Simulation tools	Practical only
7.	Clarification of Doubts and Thought Provoking	Theory and Practical
8.	Adhering to the time schedule and Session management	Theory and Practical
9.	Discipline in the class	Theory and Practical
10.	Evaluation of Assignments, Tutorials, Mid exams etc.,	Theory only
11.	Evaluation of Observation Books/ Records/ Course projects	Practical only
12.	WIT & WIL - Demonstration of Real time applications	Theory only
13.	VNR Lab Protocol - Demonstration of Experiments through Videos / Virtual Labs / Simulation	Practical only
14.	Accessibility of the teacher	Theory and Practical
