Memorandum of Understanding

VNR Vignana Jyothi Institute of Engineering and Technology, has collaboration with IIT Bombay Spoken Tutorial Program. The IIT Spoken Tutorial Program has recognised VNRVJIET as ***SPOKEN TUTORIAL*** IIT Bombay's ***Nodal Resource Centre NRC*** for Telangana Region.

Spoken Tutorial is a video session explaining the subject with a screen cast and narration. It can be used for various topics and domains ranging from purely technical to mundane but common issues. For instance, one can explain how to register an account for online train ticket booking.

Spoken Tutorial has the potential to make India, an IT literate nation. "Spoken Tutorial is really beneficial for learners as it is Free and Open Source Software (FOSS). The tutorials are dubbed into various Indian languages.

Spoken Tutorial is part of Talk to a Teacher project of National Mission on Education through ICT under MHRD.

Key benefits

- Excellent self-learning methodology
- Scale up of workshops is possible
- Can learn in a language of one's choice
- Can learn at a convenient pace
- Can learn at a convenient time
